From two of the world's top scientists and one of the world's top science writers (all parents), *Dirt Is Good* is a q&a-based guide to everything you need to know about kids & germs. "Is it OK for my child to eat dirt?" That's just one of the many questions authors Jack Gilbert and Rob Knight are bombarded with every week from parents all over the world. They've heard everything from "My two-year-old gets constant ear infections. Should I give her antibiotics? Or probiotics?" to "I heard that my son's asthma was caused by a lack of microbial exposure. Is this true, and if so what can I do about it now?" Google these questions, and you'll be overwhelmed with answers. The internet is rife with speculation and misinformation about the risks and benefits of what most parents think of as simply germs, but which scientists now call the microbiome: the combined activity of all the tiny organisms inside our bodies and the surrounding environment that have an enormous impact on our health and well-being. Who better to turn to for answers than Drs. Gilbert and Knight, two of the top scientists leading the investigation into the microbiome—an investigation that is producing fascinating discoveries and bringing answers to parents who want to do the best for their young children. *Dirt Is Good* is a comprehensive, authoritative, accessible guide you've been searching for.

Music has the power to bring people together. It helps us have a better understanding of the world in which we live, in all its wonderful diversity. The songs and rhymes of children most of all! In Kid Songs Around The World we've gathered 100 of our favorites from all the continents of the globe. We start in Africa, with welcome songs, circle dances and call-and-response tunes. Then, we move on to Asia, with songs of friendship, love and play. Then Australia and the islands of Oceania, where you can learn songs about the sea. The songs from Europe include well-known characters like the Sandman and Little Red Ridinghood. From North America you can find an Iroquois lullaby and both English and French Canadian songs. We end with South America where the music is tinged with African and Spanish influences. Each song includes the full text in the original language, with an English translation, and most include sheet music. All include links to web pages where you can listen to recordings, hear the tune or watch a YouTube performance. Each includes a

beautiful illustration. Many have commentary sent to us by our correspondents who write about the history of the songs and what they meant in their lives. Kid Songs Around The World is produced by Mama Lisa's World, where we believe sharing our cultures will help bring the world closer together. At Mama Lisa's World we work with ordinary people around the globe to build a platform to preserve and exchange traditional culture. We hope this book will help foster a love of international children's songs! * 100 Children's songs and rhymes from around the world * Full text of each in the original language * English translations * Most with sheet music * Links to web pages with recordings, many by ordinary people who have contributed them * Commentary from our correspondents about what the songs and rhymes have meant to their lives * Illustrations You'll find 100 Kid Songs and Rhymes from around the world, including: * Do do ki do (Fried Ripe Plantains), from Cameroon * Anile Anile Vaa Vaa Vaa(Chipmunk Chipmunk, Come Come Come), from India * Te aroha (Love), from New Zealand * Au clair de la lune (Under the Moonlight), from France * La Cucaracha (The Cockroach), from Mexico * Ciranda, Cirandinha (Circle, Little Circle), from Brazil * Fanga Alafia (Hello, Welcome), from Nigeria * Bangau Oh Bangau (Stork, Oh Stork), from Malaysia And many more!

The steel tongue drum (aka tong drum, tank drum, gluck-o-phone, hapi drum, mandala or lotus drum) and the handpan (aka hank drum, UFO drum, zen drum) are percussion musical instruments designed to help you focus on your feelings, sensations, and body. You don't need classical music training or knowledge of music theory to play them. The main purpose is relaxation, meditation, and traveling through your inner world. No previous training or skills are necessary to enjoy these fascinating instruments. It is impossible to play them incorrectly. Anyone can play them: those who want to develop a good sense of rhythm and an ear for music, those who are seeking relaxation after a hard day at work, those who have always had an interest in learning how to play a musical instrument, and those who want to introduce something unusual into their lives and explore their inner selves. This book is aimed at those who want to add popular melodies to their experimentation. All songs in this book have been written without using the classic music score system, because it is for absolute beginners who cannot read sheet music. We use circles with numbers because most modern tongue drums have numbers engraved or painted on their keys. We do not show the note duration -- we just group the circles closer to each other to show the rhythms. You can experiment with duration on your own. Because most tongue drums include and are tuned to involve the notes of the main octave, all songs from this book are possible to play in one octave. This book includes very simple, popular children's and folk songs, but even well-known children's songs played on the drum will create an unusual magical sound. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If you have flat keys on your instrument, please use the classic music score for the piano.
