Wildflowers and the Call to the Altar is a fascinating story of the history of the St. Francis Altar Society, embedded within the tri-cultural nexus of Santa Fe, New Mexico. For close to a hundred years, the society responded to the call that the church, established in 1610, required a formal Altar Society to care for the sanctuary needs, yet also to address the personal sanctification of the members.

Since its inception, the society has served the altar of the church and extended its vision to "the altar of the world" through works of social justice, which are more urgent than ever, along with the care of the altar and the laundry. There is room for the holiness and fidelity of women to serve the church. Under the mantle of humility, and the commitment to mission, the women of the St. Francis Altar Society have persisted like the women at the foot of the cross. They have embraced the call to ministry and discipleship extended to all in the Gospels. Service to the altar extends into the world, where the reality of the love of Christ intersects with everyday life.

Hallelujah, it's a book! After proving itself to be the "funniest calendar of the year" (according to Gene Shalit), "irresistible" (USA Weekend), and "habit-forming" (Maxim magazine), the Nuns Having Fun calendar has inspired Nuns Having Fun, a book of endearing nuttiness. Catholic kitsch doesn't get any funnier.

Written by Maureen Kelly and Jeffrey Stone, pitch-perfect co-authors of the nuns calendar and the New York Times bestseller Growing Up Catholic, Nuns Having Fun features hundreds of sisters in full habit, cutting loose and having a hoot. Here are nuns in the surf ("This is even more fun than walking on water"), nuns in bumper cars ("We brake for Jesus"), nuns in a beer hall ("Ale Marys"), and nuns in the museum, huddled in front of a study of nudes ("It's okay to open your eyes. Sister Wendy says it's art"). There are nuns on skates, at bat, at the theater, skeet shooting (nuns with guns!), even hitting the slots (you know it's for a good cause). The 125 images are from the 1950s and '60s, black-and-white and possessing a pure retro charm; the written material is all-new. Drawing on their

years as parochial school students, the authors explore the lore and legends surrounding nuns, including Favorite Punishments from Nuns, Nuns Say the Darndest Things, How to Recognize a Nun After Vatican II, a Wimple Watch, and List of People Who Could Have Been Nuns. As Sister says, "To err is human. To laugh is divine."

Humanity is about to enter what the Bible calls "the time of the end," the seventieth week of Daniel, otherwise known as the Revelation of Jesus Christ. This book, undergirded and based upon biblical prophecy presents the time frame, the chronology of events, and the solution you must choose if you want to survive until the rapture. In February 2028, the angels of heaven will announce, "The kingdom of the world has become the kingdom of God and of His Christ." All the nations of the world will reject that decree, and Jesus Christ, the "King of kings and Lord of lords," is going to become the enemy of mankind. What are you going to do, oh reader, when the UFOs begin to show up? What are you going to think about Jesus and God then? Are you going to believe the "aliens" or are you going to believe the Word of God? If you don't know the truth, how will you recognize deception? By May 2033, the end of this age will have come. The church will be gone from the earth. The climate will be altered into a new system without the sun. Civilization will have ceased to exist. In fact, only a remnant of Israel will survive to populate the earth going into the Millennium. Mankind is going to be exterminated from off the surface of the earth by judgments of hail, fire, famine, pestilence, plagues, war, heat, economic collapse, and finally an earthquake so powerful that every city in the world will be destroyed, and the mountains and islands are going to disappear! The only thing that will remain is

darkness. This is the prophecy of the end. Get ready; it is coming. For more information, visit the author's additional website 2595days.com.

Misogyny and Media in the Age of Trump argues that misogyny has increased in the United States under President Trump and that although women's experiences under misogyny are by no means universal, patriarchal social and institutional systems facilitate gender-based hostility. Systemic misogyny and power inequities are at the root of male-on-female bullying, the bullying and harassment of non-hegemonic males and other minorities as well as sexual harassment, rape, and even murder. Given the prevalence of misogyny, and its deep rootedness in religion, it is argued that the social contract needs to be rewritten in order to have a just, gender- and race-equitable society. Misogyny creates a clash of cultures between men and women, hegemonic and non-hegemonic males, feminists and INCELS, the powerful and the oppressed, natives and marginalized minorities, the conservative and the liberal/progressive. This book explores misogyny across media ranging from political and editorial cartoons to news, sport, film, television, social media (especially Twitter), and journalistic organizations that address gender inequities. The authors argue that the current era of conservative populism ushered in by President Donald Trump and the Republicans constitute the social-cultural and political environment that have given rise to the #MeToo Movement and Fourth Wave Feminism.
