This is an exciting Santa Claus adventure. Starting at the North Pole, he travels south to the very tip of our world where well known beloved characters must find a very important item to save Christmas. This book is not just for you to read, but for the child to interact with you. It is a beautifully illustrated full color book that fosters imagination. A marvelous book for parents, grandparents or even an older brother or sister to read and enjoy. Could there be more? That is for them to read and discover.

Carly loses her faithless boyfriend, her job, and the respect of people in town, all in one crazy moment. Nothing, it seems, will ever be right again. In an effort to get away, she joins some friends in a month-long hike up the Long Trail from Vermont into Canada. Looking for peace in a world suddenly gone awry, Nate joins the hike at the last minute. Fresh from a breakup of his own, he has no intention of starting a new relationship, so why can't he keep his mind off the prickly woman in front of him? As their relationship blossoms, obstacles arise, and it seems life will just repeat itself. Can Nate deal responsibly with the decisions he knows he must make? Will Carly stop running long enough to let love catch her?

Wonderfully well written! Author Rod Batiste serves up a true story about a man and his son who had parallel lives that ended very differently. Though he attempts to save his son from pitfalls he'd experienced, his efforts fell short due to the restrictions placed on him by the courts. So he is left unable to help, left only to watch as the pressure of society become too much for his son to manage. This book evokes powerful emotions, especially empathy - the 'I know how you feel' emotion. It has the potential to be a best-selling sleeper nonfiction work of the year! As you read through the pages of this text, keep in mind: fear negates invention-to be established as a pacesetter, you must be bold enough to present something different.

Poems by a protegee of Charles Dickens, published in 'Household Words' under the pseudonym Mary Berwick

Designed to equip students with the skills for effective business communication, Communicating for Results offers practical, classroom-tested instruction not just in grammar but in the rhetorical techniques and persuasive strategies that students need to become effective writers and speakers. Supplemented with abundant group and individual activities to reinforce key principles and help students hone their skills, this invaluable text will teach students to communicate with confidence.

This book is a concise guide to contact lens fitting for optometrists and trainees. Beginning with an introduction to contact lenses and the pre-contact lens fitting eye examination, making sure a patient is suitable for wearing contact lenses, the following chapters describe the fitting of different types of corrective lens – soft, toric and rigid gas permeable. Separate chapters examine the use of therapeutic contact lenses, used to protect the eye whilst it heals after injury or infection, rather than to correct vision; and lenses for presbyopia, age-related long-sightedness. Key points Concise guide to contact lens fitting for optometrists and trainees Detailed discussion on pre-contact lens fitting eye exam and patient suitability Describes various types of corrective lenses Includes chapters on therapeutic lenses and contact lenses for presbyopia

Toot vacations in India, where he visits the city of Jaipur, makes friends with a monkey and an elephant, and sends letters home to his friend, Puddle.

Leading scholars discuss Donald Davidson's work in relation to a wide range of contemporary philosophical issues and approaches. The work of the philosopher Donald Davidson (1917–2003) is not only wide ranging in its influence and vision, but also in the breadth of issues that it encompasses. Davidson's work includes seminal contributions to philosophy of language and mind, to philosophy of action, and to epistemology and metaphysics. In Dialogues with Davidson, leading scholars engage with Davidson's work as it connects not only with aspects of current analytic thinking but also with a wider set of perspectives, including those of hermeneutics, phenomenology, the history of philosophy, feminist epistemology, and contemporary social theory. They link Davidson's work to other thinkers, including Collingwood, Kant, Derrida, Heidegger, and Gadamer. The essays demonstrate the continuing significance of Davidson's philosophy, not only in terms of the philosophical relevance of the ideas he advanced, but also in the further connections and insights those ideas engender.

In nineteenth-century England, young Charles Darwin rejects the more traditional careers of physician and clergyman, choosing instead to embark on a dangerous five-year journey by ship to explore the natural world.

Mallusk is the modern name for the ancient parish of Grange of Molusk, now a townland village in the parish of Templepatrick, within the modern borough of Newtownabbey, County Antrim. (Other spellings include Mollusk, Myloske, Moblusk.) The graveyard was in the ancient Church of Ireland churchyard. The church is no longer standing, but the cemetery is still in use.

A Canadian speculative fiction reprint anthology collecting the best short fiction and poetry of that year.

A complicated and much-hated Tudor queen tells her side of the story in this engaging novel of Anne Boleyn. Anne Boleyn was born without great beauty, wealth, or title, but she has blossomed into a captivating young woman—and she knows it. Determined to rise to the top, she uses her wiles to win the heart of England's most powerful man, King Henry VIII. Not satisfied with the king's heart, however, she persuades Henry to defy everyone—including his own wife—to make her his new queen. But Anne's ambition would prove to be her fatal flaw. Named a New York Public Library Book for the Teen Age, among other honors, Doomed Queen Anne is part of the historical fiction Young Royals series that has illuminated the youthful lives of Europe's most compelling—and sometimes, infamous—queens and princesses.

"The Dark House" by I. A. R. Wylie. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor's teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth's own father, Henry VIII; her jealous half sister, Mary, has her locked away in the Tower of London; and her only love interest betrays her in his own quest for the throne. Told in the voice of the young Elizabeth and ending when she is crowned queen, this second novel in the exciting series explores the relationship between two sisters who became mortal enemies. Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined

girl who became one of England's most powerful monarchs and the sister who tried everything to stop her.

Includes Beekeeper, a consecutively paged section with its own volume numbering.

The struggle for the soul of England after the death of Henry VIII In the death of Henry VIII, the crown passed to his nine-year-old son, Edward. However, real power went to the Protector, Edward's uncle, the Duke of Somerset. The court had been a hotbed of intrigue since the last days of Henry VIII. Without an adult monarch, the stakes were even higher. The first challenger was the duke's own brother: he seduced Henry VIII's former queen, Katherine Parr; having married her, he pursued Princess Elizabeth and later was accused of trying to kidnap the boy king at gunpoint. He was beheaded. Somerset ultimately met the same fate, after a coup d'etat organized by the Duke of Warwick. Chris Skidmore reveals how the countrywide rebellions of 1549 were orchestrated by the plotters at court and were all connected to the (literally) burning issue of religion: Henry VIII had left England in religious limbo. Court intrigue, deceit and treason very nearly plunged the country into civil war. Edward was a precocious child, as his letters in French and Latin demonstrate. He kept a secret diary, written partly in Greek, which few of his courtiers could read. In 1551, at the age of 14, he took part in his first jousting tournament, an essential demonstration of physical prowess in a very physical age. Within a year it is his signature we find at the bottom of the Council minutes, yet in early 1553 he contracted a chest infection and later died, rumours circulating that he might have been poisoned. Mary, Edward's eldest sister, and devoted Catholic, was proclaimed Queen. This is more than just a story of bloodthirsty power struggles, but how the Church moved so far along Protestant lines that Mary would be unable to turn the clock back. It is also the story of a boy born to absolute power, whose own writings and letters offer a compelling picture of a life full of promise, but tragically cut short.

Bigwig Briefs: Small Business Marketing Advisor includes knowledge excerpts from the Chief Marketing Officers from companies such as General Electric, Coke, Best Buy, American Express, Federal Express, Yahoo! and Verizon on ways to use proven and inexpensive big business marketing strategies for your small business. This timeless classic provides the most useful information ever provided in one place on small business marketing, public relations and advertising and is a must read for any small business owner, employee, freelance worker, entrepreneur or marketing professional.

Artwork by Peter Fischli, David Weiss.

Four kids, a mysterious wall, and a good helping of common magic! If you had a magic wall that could take you to any place and any time, where would you go? Would you want to visit castles and desert islands? Would you want to meet famous wizards, terrible pirates, beautiful queens, and dastardly outlaws? If so, then you are just like Henry and Emma, and Roy and Susan—and you will probably like this story a lot. In fact, you might even wish something similar would happen to you! In Any Which Wall, author Laurel Snyder proves that you don't have to be an orphan, know a dragon, or even be a child to get a taste of magic. You just have to keep your mind open and willing to let it happen. And when you do find magic (like Henry, Emma, Roy, and Susan), you might be surprised that along with all the fun, you also find out new things about your friends, your family, and maybe even a little bit about who you really want to be.

Presents a collection of self-portraits, in chronological order, from ancient Egypt to the present day.

This early works is a fascinating novel of the period and still an interesting read today. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The dizzying rise and horrific downfall of the last queen of France from the New York Times bestselling author of Duchessina. From the moment she was betrothed to the dauphin of France at age fourteen, perfection was demanded of Marie-Antoinette. Desperate for affection and subjected to constant scrutiny, this spirited young woman can't help but want to let loose with elaborate parties, scandalous fashions, and even a forbidden love affair. Meanwhile, the peasants of France are suffering from increasing poverty and becoming outraged. They want to make the queen pay for her reckless extravagance—with her life. Includes historical notes, an author's note, and bibliography “Historical-fiction fans will be swept up in the cruel fates of the monarchs and political forces, particularly as the drama escalates into horror.”—Booklist “Beautifully written from the point of view of Marie-Antoinette, and then from the point of view of her daughter, this is fascinating book that fans of historical fiction will find captivating.”—Through the Looking Glass Children's Book Reviews “This novel about the ill-fated queen covers her life from age 13 when, as an Austrian princess, she prepares to marry the French dauphin to her death by guillotine in 1793 . . . Meyer writes in a lighthearted, casual style, vividly portraying the historical era and aptly defining unfamiliar vocabulary.”—School Library Journal

In this wickedly humorous manual, language columnist June Casagrande uses grammar and syntax to show exactly what makes some sentences great—and other sentences suck. Great writing isn't born, it's built—sentence by sentence. But too many writers—and writing guides—overlook this most important unit. The result? Manuscripts that will never be published and writing careers that will never begin. With chapters on “Conjunctions That Kill” and “Words Gone Wild,” this lighthearted guide is perfect for anyone who's dead serious about writing, from aspiring novelists to nonfiction writers, conscientious students to cheeky literati. So roll up your sleeves and prepare to craft one bold, effective sentence after another. Your readers will thank you.

Communicating for Results A Canadian Student's Guide Oxford University Press, USA

The scandalous and tragic life of Mary, Queen of Scots. Read her incredible story before seeing the major motion picture starring Saoirse Ronan and Margot Robbie! Mary Stuart was just five years old when she was sent to France to be raised alongside her future husband. But when the frail young king dies, eighteen-year-old Mary is stripped of her title as Queen of France and set adrift in the harsh world, alone. Determined to reign over what is rightfully hers, Mary returns to Scotland. Hoping that a husband will help her secure the coveted English throne, she marries again, but the love and security she longs for elude her. Instead, the fiery young queen finds herself embroiled in a murder scandal that could cost her the crown. And her attempts to bargain with her formidable "sister queen," Elizabeth I of England, could cost her her very life.

From the New York Times bestselling author: She is the wealthiest and most envied girl in all of Italy—but she yearns for freedom... Young Catherine de' Medici is the sole heiress to the entire fortune of the wealthy Medici family. But her life is far from luxurious. After a childhood spent locked away behind the walls of a convent, she joins the household of the pope, where at last she can be united with her true love. But, all too soon, that love is replaced with an engagement to a boy who is cold and aloof. It soon becomes clear that Catherine will need all the cunning she can muster to command the respect she deserves as one of sixteenth-century France's most powerful queens, in this riveting historical novel in the Young Royals series. "This captivating tale of the rise of this Italian merchant family is seldom portrayed, and it plays out delightfully in this well-written novel."—School Library Journal "A sympathetic, engrossing portrait of a noble girl who, later in life, became a feared queen... With meticulous historical detail, sensitive characterizations, and Catherine's strong narration, Meyer's memorable story of a fascinating young woman who relies on her intelligence, rather than her beauty, will hit home with many teens."—Booklist Includes a family tree

Interweaving psychology and spirituality in everything she does, Dr. Papillon implicitly brings an awakening to a consultation with a large corporation, a session with a patient, as well as to a radio or television interview. She has been a featured guest both nationally and locally in all forms of media. She has been quoted numerous times by such varied publications as the New York Times, the Los Angeles Times, the Boston Herald, Mademoiselle Magazine, and the American Psychological Monitor. She has a television show weekly where she speaks about moving beyond any obstacles to one's highest possibilities. She also has a highly-acclaimed book in stores everywhere plus another that is about to be published. An internationally known speaker, trainer, guide, supervisor, mentor and media expert, Dr. Papillon has been on medical school faculties, taught at universities, been a staff psychologist for a high-risk prison and a therapist for foster children and their families. She continues to volunteer at a homeless mission in downtown Los Angeles several days a month. Book jacket.

Saving Grace: A Guide to Financial Health is a program to help people of faith create healthy relationships with money and possessions. Participants will move through six sessions covering such topics as saving, earning, giving, spending, and debt, along with helpful strategies for achieving a sustainable financial life. Adapted from the best-selling Freed Up Financial Living from the Good Sense Movement, this study is based on Wesleyan values and provides text and tools to help participants address life concerns and reach personal financial goals. The Leader Guide contains session plans, outlines, discussion questions, and everything needed to guide a six-week group study on a faithful approach to financial health.

A signature journal featuring the very popular St. Augustine quote with themes of rest and calm.

NC State textbook adoption 1998-2003.
