Her mother can't see Scratch, and her teacher doesn't notice when Ellie brings Scratch to preschool, yet her friends are amazed. This enhanced eBook features read-along narration. On a beautiful day at the beach, a young boy brings his bucket, shovel, and imagination, and builds a perfect sand castle. Right away, a dragon moves in. The boy decides to befriend his dragon and they spend time roaming the shore, flying a kite, braving the waves, defying bullies, and roasting marshmallows—all while Dad is busy sunbathing and Mom is engrossed in her book. Unfortunately, no one believes the boy when he tries to share the news of this magnificent creature. That's when the mischief begins, and the dragon becomes a force to be reckoned with. While adults will recognize the naughty antics as a ploy for attention, children will dissolve into giggles as the dragon devours every last sandwich, blows bubbles in the lemonade, and leaves claw prints in the brownies. Maybe the dragon really is running amok on the beach, or maybe it's a little boy's imagination that is running wild.
