

A Pagan Ritual Prayer

This treasury of more than 350 poems, prayers, hymns, blessings, and dramatic readings provides beautiful, powerful pieces that you can use to mark holidays, milestones, and the passing of the seasons. Discover prayers to Janus from Horace and Ovid, a traditional Scottish blessing for Imbolc, an invocation to Pan by poet Helen Bantock, a salutation to the sun by Aleister Crowley, a pharaoh's hymn to Isis, a song for Lammas by Gwydion Pendderwen, and many, many more. In addition to readings and blessings for Pagan holidays and other special days throughout the year, you will also discover prayers for weddings and funerals and to coincide with phases of the moon. Author Barbara Nolan includes brief historical or biographical details to contextualize each piece as well as descriptions of various holidays and festivals to help you integrate these readings into your practice. A Year of Pagan Prayer demonstrates that the literary worship of Pagan deities was never fully lost in the West. This bounteous collection draws from the creative and spiritual legacy of Italian Renaissance poets, ancient Sumerian priestesses, twentieth-century Pagans, French Romantics, Greek playwrights, nineteenth-century British occultists, and Egyptian hymnists, making it a must-have sourcebook for anyone who yearns to embody the eloquent expressions of our Pagan past.

A book of prayers, invocations, songs and rituals to the heathen Gods, Goddesses, wights and ancestors, written by members of Heathens of Yorkshire, and beautifully illustrated with original artwork. A useful resource for solitary practitioners, as well as groups looking for inspiration in putting together their own rituals.

The Celtic Wheel of the Year is a book of prayers intended for individual use. Divided into monthly sections, with a week or prayers for each, it incorporates Celtic and Christian traditions in a single pattern of prayer.

Contemplative Wicca provides an exclusively contemplative practice of Wicca based on science, the concept of Oneness, and the traditional Wiccan veneration of nature. It offers a monotheistic, pagan theology and a unique and forward-thinking viewpoint on which to base spiritual practice, extending the current discussion of Wiccan custom and belief. This book explores how Oneness provides the logical underpinning for contemplation and the spirit of unity, which is so essential to healing society today. Little formal pagan theology has been done to date, and doing it is necessary to further interreligious dialog and to establish paganism in general and Wicca in particular as legitimate religions. This book is intended to remedy this lack and contribute to the discussion of Wicca among pagan scholars and serious practitioners who may be seeking to incorporate contemplative ideas into their work and the construction of their faith.

When a Pagan prays, there are many uncertainties - who we pray to, what we pray for, and what might happen to us as a consequence. Not having the same structures as other religions, Pagans can't frame prayer in the same ways, and our experiences are likely to be wilder and more personal. This book is both a wide ranging exploration of what prayer means in different faith and cultures, and a personal journey into a spiritual practice.

Steeped in tradition--"Those of us who call ourselves Pagan owe a debt to all those who came before us"--and based on more than a quarter century of research and practice, A Book of Pagan Prayer teaches us to pray in the ways of our ancestors for very modern times and concerns. Changes to this revised edition include rearranged chapters and prayers and the addition of two new chapters, all of which make the book easier to use. The chapters are now arranged in an order that follows a ritual, and all the litanies have been moved to their appropriate chapters. Two new chapters--"General Requests and Offerings" and "Travel, Protection, Imprecatory"--combine two types of prayers out of the general "Petitions" into one. Prayers have been labeled with the deities to which they are addressed and arranged in logical order within each chapter. Prayers to new deities have also been added. In addition, a major problem with the first edition has been corrected: prayers for Lughnasadh/Lammas and Midsummer, two of the eight great neopagan holidays, have been added. A unique collection of nearly 500 prayers written to fulfill the needs of contemporary pagans from a variety of traditions, A Book of Pagan Prayer is a book to turn to again and again. An essential guide to expand your spiritual practices for followers of Norse Paganism, Heathenry, Asatru, and other Northern Traditions. Northern Tradition for the Solitary Practitioner is a groundbreaking look at devotional work in religions from Theodism to Asatru to Norse Paganism, all of which comprise the umbrella of the Northern Tradition. Although interest in devotional and experiential work within these traditions has been growing rapidly in the past few years, this is the first book to show the diverse scope of such practices as a living, modern-day religion. It features an in-depth exploration of altar work, prayer, prayer beads, ritual work, sacred images, and lore, and a thorough examination of common cosmology that forms the foundation of belief for Northern Tradition communities and related Heathen practices. Northern Tradition for the Solitary Practitioner is not denomination-specific: rather, it seeks to provide an entry into interior practice for anyone involved in a branch of this broad family of traditions of the ancient Norse, Germanic, and Saxon peoples, using material suitable for the solitary, independent practitioner. Those outside of the Northern Tradition who wish to deepen their own devotional practice will find this book helpful in their own work, as well.

"In her much-needed and brilliant Year of the Witch, Temperance Alden guides readers to observe their own land, celestial cycles, seasonal cycles, and even their own biological cycles to inform their magickal year."-- Mat Aurnyn, author of Psychic Witch: A Metaphysical Guide to Meditation, Magick, and Manifestation When we think of the wheel of the year, the Wiccan wheel with its celebrations of the Yule, Beltane, Mabon, and Samhain come to mind. It's of interest to witches coming off the Wiccan path and looking for a more personal approach to celebrating the rhythms of nature. A Wound in Time: Pagan prayers for a modern world Did you ever feel the need to pray but you couldn't find your voice? Sometimes words fail us when we need them most. Established prayers can feel out-of-date, irrelevant, or foreign to our spiritual beliefs. In the middle of the storm of the pandemic, that's just how the authors felt. So they decided to write for themselves the book they needed but couldn't find: 21 prayers, blessings and other devotional pieces that deal with global and individual concerns in the twenty-first century such as sickness, death, climate change, technology, community, self-worth and mindfulness. Using the techniques of poetry and rhetoric, and drawing from a wide religious heritage and tradition, Lucía and Gwyneth write with simplicity, sincerity and a light touch of humour. Neopagan in origin, and suitable for all modern-day Pagans, including Druids, Pantheists, Polytheists, Wiccans, and Devotees of the Goddess, many of the pieces will also sit comfortably in Interfaith services. The collection encompasses different perspectives and styles and uses a variety of voices to address three Divinities - Our Lady of Corona, the Weaver of Worlds (aspects of the Goddess), and the Horned God - and reflect on issues that might fall within the authority of each. The result is a compilation of themed pieces that can equally be used in personal devotions or group rituals. The section dedicated to Our Lady of Corona offers an insight into our relationship with sickness and death, while that of the Weaver of Worlds prompts us to consider and question our attitude to others and to some of the amenities and conveniences of the modern world that we often take for granted. Finally, turning to the Horned God's domain, we take a step back to see the bigger picture of the planet and the environment, and reflect on our relationship with it and with the others who live here. The repetition, rhythm and poetical structure of the pieces will encourage and facilitate participation in group rituals and also inspire other forms of worship including drumming, music, song

and dance. There is space at the end of the book to write your own notes or personal prayers and devotions. With its overriding mood of optimism and gratitude, the book offers consolation, comfort, and occasional challenge, for all who face the ills of the modern world. Whatever your spiritual tribe and no matter what prayer means to you - communion with the Divine, a meditative practice, or ritual devotion - in this book you will find memorable, beautiful pieces to use in your personal practice or with your community.
