the opportunity to bring together their knowledge and problem solving skills in exam-style questions 5 Problem-solving chapters dedicated to the key area of problem solving

This book is one of a selection of titles by British photographers, supported by the Arts Council, showing the most outstanding work produced in this country. Since 1982 when Marlow went from The Sunday Times to Liverpool, he became obsessed both with the poverty and the vitality of the city and its people. He has returned frequently to the city to record the decline of a great maritime tradition and has created one of the most harrowing social documents of Britain during the last ten years.

How to Achieve 100% in a GCSE - Guide to GCSE Exam and Revision TechniqueWritten by a teenager for teenagers, this simple guide guarantees success in your GCSE's. Having achieved 10 A* grades (4 with a score of 100%), the author shares practical tips on exam and revision technique, including specific subject advice. The book is written with the belief that everyone has the potential to achieve 100% in a GCSE."What a fantastic book! A truly great idea. I wish the book had been around years ago when I was doing my O and A levels. Rob makes some excellent points and the book is full of good sense." - Lorna Read, Editor, Writing Ltd
