*The Soul of Leadership* decodes the mysterious qualities that have propelled history's greatest leaders to the top of the ranks and shrouded them in legend - Gandhi, Martin Luther King, Winston Churchill, Buddha - and provides a hands-on approach to understanding and mastering these qualities. The 10 Fundamental Principles, which Deepak Chopra believes all leaders should follow, include: \* A leader is the symbolic soul of the group \* Inner qualities determine the outcome of any situation \* For every need, the right response can be found \* Great leaders can respond to all situations from the higher levels of spirit \* A leader focused only on external goals (money, victory, power) will fail. Using well-known examples of great leaders and a clear, concise breakdown of the virtues that a great leader must possess, *The Soul of Leadership* demystifies leadership and empowers us all to become leaders in our own right - from managing a family crisis to starting our own business.

Learn the basics of practical accounting easily and painlessly with *Accounting For Dummies, 4th Edition*, which features new information on accounting methods and standards to keep you up to date. With this guide, you can avoid accounting fraud, minimize confusion, maximize profits, and make sense of accounting basics with this plain-English guide to your accountant's language. Understand how to manage inventory, report income and expenses for public or private companies, evaluate profit margins, analyze business strengths and weaknesses, and manage budgets for a better bottom line.

The first part of this book is intended for people who want to know something about the fundamentals of bookkeeping without necessarily

becoming a certified bookkeeper.
