Learn the tools to shed your mask of extroversion, develop your own magnetism, and reveal the true you. One third to one half of Americans are introverts in a culture that celebrates—even enforces—an ideal of extroversion and a cult of personality. Political leaders are charismatic, celebrities bask in the spotlight, and authority figures are assertive. It is no surprise that a “quiet revolution” has begun to emerge among the “invisible” half of the population, asserting that they are just as powerful in their own unique ways. The Irresistible Introvert embodies the spirit of this revival and breaks down the myth that charisma is reserved for extroverts only. This mini manifesto shows introverts how to master the art of quiet magnetism in a noisy world—no gregariousness required! Within these pages, you’ll discover how to shed the mask of extroversion and reveal a more compelling (and authentic) you. You’ll also learn how to:

- Master the inner game of intrigue
- Manage your energy for optimal engagement
- Create an emotional ecosystem for charisma
- Establish introverted intimacy
- Cultivate communication skills for quiet types

"Vivid and engaging."—Publishers Weekly, starred review Embrace the Power Inside You It's no wonder that introversion is making headlines—half of all Americans are introverts. But if that describes you—are you making the most of your inner strength? Psychologist and introvert Laurie Helgoe unveils the genius of introversion. Introverts gain energy and power through reflection and solitude. Our culture, however, is geared toward the extrovert. The pressure to get out there and get happier can lead people to think that an inward orientation is a problem instead of an opportunity. Helgoe shows that the exact opposite is true: introverts can capitalize on this inner source of power. Introvert Power is a blueprint for how introverts can take full advantage of this hidden strength in daily life. Revolutionary and invaluable, Introvert Power includes ideas for how introverts can learn to: •Claim private space •Bring a slower tempo into daily life •Deal effectively with parties, interruptions, and crowds Quiet is might. Solitude is strength. Introversion is power. "A modern-day Thoreau."—Stephen Bertman, author of The Eight Pillars of Greek Wisdom

Today's pastors often expected to be multitasking marvels who can make their churches "successful" are understandably confused about their role. Craig Barnes contends that the true calling of a pastor is to assist others in becoming fully alive in Christ to be a "minor poet." The pastor absorbs the wisdom of major poets the biblical poets as well as the church's theological poets and distills its essence for parishioners. / The Pastor as Minor Poet calls pastors to continually search for a deeper, truer understanding of what they see both in the text of Scripture and in the text of their parishioners' lives. Discerning the subtexts beneath these texts reveals the core truths that allow pastors to preach the heart of the Word and to understand the hearts of the people to whom they minister. Written with a seasoned pastor's depth of understanding and a poet's sensibility and sensitivity, this book will minister to and inspire pastors everywhere.

TV Go Home began life in the late 1990s as an outrageously funny website by Charlie Brooker which parodied the Radio Times, and was turned into a book in 2001 when Brooker was still a relative unknown. It was a brutal and surreal satire of the world of TV, media and celebrity, written with Brooker's trademark savage wit. Unavailable for some years, we are republishing it to reach his many thousands of new fans. In TV Go Home, visit a parallel world where reality TV and 'new media' have got completely out of control. Shows include Daily Mail Island, where inhabitants of a small island are forced the newspaper and become ever more outraged, an eternal version of Watchdog where viewers are invited to 'phone in and complain about every single facet of every single object, product and service in the world' and various extremely rude shows featuring Mick Hucknall's testicles. Star of the book is Brooker's famous creation Nathan Barley, pretentious Hoxton new-media type 'whose very existence indelibly tarnishes the world's already questionable track record'. Not for the faint-hearted, TV Go Home is a gloriously funny, filthy and spectacularly angry book.
