

## **Donald Trump Steele Dossier Never Trumpers Are**

This is a hard copy of the report from the Inspector General (released December 9th, 2019) regarding the review of four FISA applications and other aspects of the FBI's Crossfire Hurricane investigation. A hardback version may be found by searching for ISBN 9781680923148. The Department of Justice (Department) Office of the Inspector General (OIG) undertook this review to examine certain actions by the Federal Bureau of Investigation (FBI) and the Department during an FBI investigation opened on July 31, 2016, known as "Crossfire Hurricane," into whether individuals associated with the Donald J. Trump for President Campaign were coordinating, wittingly or unwittingly, with the Russian government's efforts to interfere in the 2016 U.S. presidential election. Our review included examining: - The decision to open Crossfire Hurricane and four individual cases on current and former members of the Trump campaign, George Papadopoulos, Carter Page, Paul Manafort, and Michael Flynn; the early investigative steps taken; and whether the openings and early steps complied with Department and FBI policies; - The FBI's relationship with Christopher Steele, whom the FBI considered to be a confidential human source (CHS); its receipt, use, and evaluation of election reports from Steele; and its decision to

close Steele as an FBI CHS; - Four FBI applications filed with the Foreign Intelligence Surveillance Court (FISC) in 2016 and 2017 to conduct Foreign Intelligence Surveillance Act (FISA) surveillance targeting Carter Page; and whether these applications complied with Department and FBI policies and satisfied the government's obligations to the FISC; - The interactions of Department attorney Bruce Ohr with Steele, the FBI, Glenn Simpson of Fusion GPS, and the State Department; whether work Ohr's spouse performed for Fusion GPS implicated ethical rules applicable to Ohr; and Ohr's interactions with Department attorneys regarding the Manafort criminal case; and - The FBI's use of Undercover Employees (UCEs) and CHSs other than Steele in the Crossfire Hurricane investigation; whether the FBI placed any CHSs within the Trump campaign or tasked any CHSs to report on the Trump campaign; whether the use of CHSs and UCEs complied with Department and FBI policies; and the attendance of a Crossfire Hurricane supervisory agent at counterintelligence briefings given to the 2016 presidential candidates and certain campaign advisors.

The FBI veteran behind the Russia investigation draws on decades of experience hunting foreign agents in the United States to lay bare the threat posed by President Trump.

## Acces PDF Donald Trump Steele Dossier Never Trumpers Are

The Deep State isn't finished trying to destroy President Donald Trump—they've only just begun. Coup d'Etat blows the lid off the Deep State's efforts to prevent the Trump presidency, disrupt his agenda, and prevent his reelection. In this book you'll learn:

- The truth behind Robert Mueller's Special Counsel baseless investigation.
- The identity of the Trump cabinet member who proposed wearing a wire to take down Trump.
- How the FBI entrapped members of the Trump team—and how they unsuccessfully tried the same with Corsi.
- How the Democratic establishment faked evidence of Russian interference.
- The truth behind Julian Assange's arrest, and what the Deep State wants to prevent him from exposing.
- How the FBI abused FISA law to spy on Trump—and how they tried to hide it.
- Mueller's continued coverup that the media refuses to report.

This is the book the Deep State and the media don't want you to read.

MOSCOW, July 1987. Real-estate tycoon Donald Trump visits Soviet Russia for the first time at the invitation of the government.

LONDON, December 2016. Luke Harding meets former MI6 officer Christopher Steele to discuss the president-elect's connections with Russia. Harding follows two leads; money and sex.

WASHINGTON, January 2017. Steele's explosive dossier alleges that the Kremlin has been 'cultivating, supporting, and assisting' Trump for years and that they have compromising information about him. Trump responds on twitter,

'FAKE NEWS.' In *Collusion*, award-winning journalist Luke Harding reveals the true nature of Trump's decades-long relationship with Russia and presents the gripping inside story of the dossier. It features exclusive new material and draws on sources from the intelligence community. Harding tells an astonishing story of offshore money, sketchy real-estate deals, a Miss Universe Pageant, mobsters, money laundering, hacking and Kremlin espionage. He shines a light on powerful Russian players like Aras Agalarov, Natalia Veselnitskaya and Sergey Kislyak, whose motivations and instructions may have come from Vladimir Putin himself. The special prosecutor, Robert Mueller, has already indicted several of the American protagonists, including Trump's campaign manager, Paul Manafort. More charges are likely as the crisis engulfs Trump's administration. This book gets to the heart of the biggest political scandal of the modern era. Russia is reshaping the world order to its advantage; this is something that should trouble us all.

The FBI is suffering its worst crisis ever. The integrity and reputation built over a century is in jeopardy. In 2016, the FBI Director—along with several other senior executives from the Bureau and Justice Department—attempted to falsify one of the most significant presidential elections in American history. Retired FBI agent John Ligato takes you behind the scenes into the bowels of the Bureau's culture

and explains how it happened—and how to fix it. “John Ligato holds nothing back. I worked with him undercover and John is absolutely fearless whether it’s with some mob guy or a bogus bureaucrat. The Comey Gang is the definitive book how the FBI lost its way under James Comey.”—Joe Pistone, FBI Special Agent, Retired (aka ‘Donnie Brasco’) “I’ve supervised John Ligato and he’s one of a kind. His Marine Corps experience made him a tenacious and mission-oriented FBI agent. John was one of the Bureau’s best undercover operatives and I was always glad that John Ligato was part of my team.”—Anthony Daniels, FBI Assistant Director, Retired “I served with John Ligato in Vietnam. Lance Corporal Ligato was with the lead contingent of Marines into Hue City during the ’68 Tet Offensive. Though wounded several times, John refused medical evacuation and distinguished himself on the battlefield. Believe what he says.”—Major General Ray ‘E-Tool’ Smith, USMC, Retired

THE SUNDAY TIMES BESTSELLER 'John le Carré demystified the intelligence services; Higgins has demystified intelligence gathering itself' Financial Times 'Uplifting . . . Riveting . . . What will fire people through these pages, gripped, is the focused, and extraordinary, investigations that Bellingcat runs . . . Each runs as if the concluding chapter of a Holmesian whodunit' Telegraph 'We Are Bellingcat is Higgins's gripping account of how he reinvented reporting for the

internet age . . . A manifesto for optimism in a dark age' Luke Harding, Observer

How did a collective of self-taught internet sleuths end up solving some of the biggest crimes of our time? Bellingcat, the home-grown investigative unit, is redefining the way we think about news, politics and the digital future. Here, their founder – a high-school dropout on a kitchen laptop – tells the story of how they created a whole new category of information-gathering, galvanising citizen journalists across the globe to expose war crimes and pick apart disinformation, using just their computers. From the downing of Malaysia Flight 17 over the Ukraine to the sourcing of weapons in the Syrian Civil War and the identification of the Salisbury poisoners, We Are Bellingcat digs deep into some of Bellingcat's most successful investigations. It explores the most cutting-edge tools for analysing data, from virtual-reality software that can build photorealistic 3D models of a crime scene, to apps that can identify exactly what time of day a photograph was taken. In our age of uncertain truths, Bellingcat is what the world needs right now – an intelligence agency by the people, for the people.

The real collusion in the 2016 election was not between the Trump campaign and the Kremlin. It was between the Clinton campaign and the Obama administration. The media–Democrat “collusion narrative,” which paints Donald Trump as cat’s paw of Russia, is a studiously crafted illusion. Despite Clinton’s commanding

lead in the polls, hyper-partisan intelligence officials decided they needed an “insurance policy” against a Trump presidency. Thus was born the collusion narrative, built on an anonymously sourced “dossier,” secretly underwritten by the Clinton campaign and compiled by a former British spy. Though acknowledged to be “salacious and unverified” at the FBI’s highest level, the dossier was used to build a counterintelligence investigation against Trump’s campaign. Miraculously, Trump won anyway. But his political opponents refused to accept the voters’ decision. Their collusion narrative was now peddled relentlessly by political operatives, intelligence agents, Justice Department officials, and media ideologues—the vanguard of the “Trump Resistance.” Through secret surveillance, high-level intelligence leaking, and tireless news coverage, the public was led to believe that Trump conspired with Russia to steal the election. Not one to sit passively through an onslaught, President Trump fought back in his tumultuous way. Matters came to a head when he fired his FBI director, who had given explosive House testimony suggesting the president was a criminal suspect, despite privately assuring Trump otherwise. The resulting firestorm of partisan protest cowed the Justice Department to appoint a special counsel, whose seemingly limitless investigation bedeviled the administration for two years. Yet as months passed, concrete evidence of collusion failed to

materialize. Was the collusion narrative an elaborate fraud? And if so, choreographed by whom? Against media—Democrat caterwauling, a doughty group of lawmakers forced a shift in the spotlight from Trump to his investigators and accusers. This has exposed the depth of politicization within American law-enforcement and intelligence agencies. It is now clear that the institutions on which our nation depends for objective policing and clear-eyed analysis injected themselves scandalously into the divisive politics of the 2016 election. They failed to forge a new Clinton administration. Will they succeed in bringing down President Trump?

"Hettena is a first-rate reporter and wonderful story-teller, and the tale he tells here is mind-boggling."—Jane Mayer, author of New York Times bestseller *Dark Money* "Hettena skillfully weaves many threads—most fresh or previously hidden—into a rich tapestry tying together decades of Donald Trump's deep involvement with Russia."—DAVID CAY JOHNSTON , author of New York Times bestseller *The Making of Donald Trump Uncovering the decades-long association between Donald Trump and Russia* Is the 45th President of the United States under the control of a foreign power? Award-winning Associated Press reporter Seth Hettena untangles the story of Donald Trump's long involvement with Russia in damning detail—including new reporting never before

published. As Special Counsel Robert Mueller’s investigation into the relationship between members of Trump’s campaign and Russian operatives continues, there is growing evidence that Trump has spent decades cultivating ties to corrupt Russians and the post-Soviet state. In *Trump/Russia: A Definitive History*, Seth Hettena chronicles the many years Trump has spent wooing Russian money and power. From the collapse of his casino empire—which left Trump desperate for cash—and his first contacts with Russian deal-makers and financiers, on up to the White House, Hettena reveals the myriad of shady people, convoluted dealings, and strange events that suggest how indebted to Russia our forty-fifth president might be. Using deeply researched reporting, along with newly uncovered information, court documents, and exclusive interviews with investigators and FBI agents, Hettena provides an expansive and essential primer to the Trump/Russia scandal, leaving no stone unturned. “A thorough and damning exploration of the incestuous relationship between Trump and his favorite channel.” —The New York Times “A Rosetta Stone for stuff about this presidency that doesn’t otherwise make sense to normal humans.” —Rachel Maddow, MSNBC “Stelter’s critique goes beyond salacious tidbits about extramarital affairs (though there are plenty of those) to expose a collusion that threatens the pillars of our democracy.” —The Washington Post The

urgent and untold story of the collusion between Fox News and Donald Trump from the New York Times bestselling author of *Top of the Morning*. While other leaders were marshaling resources to combat the greatest pandemic in modern history, President Donald Trump was watching TV. Trump watches over six hours of Fox News a day, a habit his staff refers to as “executive time.” In January 2020, when Fox News began to downplay COVID-19, the President was quick to agree. In March, as the deadly virus spiraled out of control, Sean Hannity mocked “coronavirus hysteria” as a “new hoax” from the left. Millions of Americans took Hannity and Trump's words as truth—until some of them started to get sick. In *Hoax*, CNN anchor and chief media correspondent Brian Stelter tells the twisted story of the relationship between Donald Trump and Fox News. From the moment Trump glided down the golden escalator to announce his candidacy in the 2016 presidential election to his acquittal on two articles of impeachment in early 2020, Fox hosts spread his lies and smeared his enemies. Over the course of two years, Stelter spoke with over 250 current and former Fox insiders in an effort to understand the inner workings of Rupert Murdoch's multibillion-dollar media empire. Some of the confessions are alarming. “We don't really believe all this stuff,” a producer says. “We just tell other people to believe it.” At the center of the story lies Sean Hannity, a college dropout who,

following the death of Fox News mastermind Roger Ailes, reigns supreme at the network that pays him \$30 million a year. Stelter describes the raging tensions inside Fox between the Trump loyalists and the few remaining journalists. He reveals why former chief news anchor Shep Smith resigned in disgust in 2019; why a former anchor said "if I stay here I'll get cancer;" and how Trump has exploited the leadership vacuum at the top to effectively seize control of the network. Including never before reported details, Hoax exposes the media personalities who, though morally bankrupt, profit outrageously by promoting the President's propaganda and radicalizing the American right. It is a book for anyone who reads the news and wonders: How did this happen? Does the news media unfairly attack President Donald J. Trump? Does Fake News actually exist? Are media reports about President Trump often unreliable? Is the legacy media biased against President Trump, the Trump campaign, the Trump family and their businesses? This book demonstrates the answer to all of the above is YES. The legacy news media routinely attacks President Trump with biased or distorted stories, fabricated outrage, misrepresented "facts," unverified, unproven anonymous sources, misquotations and more. Fake News Exposed lays these media attacks bare using the media's own articles and reports, compared and contrasted with the real news and evidence. 50 separate Fake

News stories are covered, broken down and compared to what really happened. Politics and media reports will never be viewed the same after reading Fake News Exposed. From the Charlottesville "very fine people" lie to the phony Russia Collusion to trade wars and the economy, news media attacks on President Trump of every kind are revealed, exposed and debunked. After reading Fake News Exposed the media will never be able to fool you again. If you wonder if the news media is trustworthy, this book is for you. If you want to learn the tactics employed by news media to spread misinformation, this book is for you. If you want to know the truth about numerous misinformation campaigns carried out against President Trump and his Administration, this book is for you. If you need to inform yourself so you can counter media distortions and misinformation, this book is for you. If you need a handy reference to quickly dispel media misinformation, this book is for you.

A NEW YORK TIMES BESTSELLER "Great new book by wonderful and very street smart author Dan Bongino, EXONERATED, THE FAILED TAKEDOWN OF PRESIDENT DONALD TRUMP BY THE SWAMP. Dan hits all of the crooked points of the greatest Witch Hunt in political history. Nevertheless, the Scam continues!" —President Donald J. Trump An explosive, whistle-blowing expose, Exonerated: The Failed Takedown of Donald Trump by the Swamp reveals how

Deep State actors relied on a cynical plug-and-play template to manufacture the now-discredited Russiagate scandal. With the cutting analysis and insight he exhibited in his blockbuster bestseller *Spygate: The Attempted Sabotage of Donald J. Trump*, Fox News contributor Bongino exposes who masterminded the dangerous playbook to take down Trump, their motives, and how a plan filled with faked allegations backfired—forcing investigators to up the ante and hide their missteps and half-truths in a desperate effort to prove a collusion case that never happened. The result? The misguided multimillion Mueller investigation that tore the nation apart, tried to destabilize the presidency and led, as the world now knows, to nowhere!

THE NEW YORK TIMES BESTSELLER “The story Unger weaves with those earlier accounts and his original reporting is fresh, illuminating and more alarming than the intelligence channel described in the Steele dossier.”—The Washington Post *House of Trump, House of Putin* offers the first comprehensive investigation into the decades-long relationship among Donald Trump, Vladimir Putin, and the Russian Mafia that ultimately helped win Trump the White House. It is a chilling story that begins in the 1970s, when Trump made his first splash in the booming, money-drenched world of New York real estate, and ends with Trump’s inauguration as president of the United States. That moment was the culmination

of Vladimir Putin's long mission to undermine Western democracy, a mission that he and his hand-selected group of oligarchs and Mafia kingpins had ensnared Trump in, starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City. This book confirms the most incredible American paranoias about Russian malevolence. To most, it will be a hair-raising revelation that the Cold War did not end in 1991—that it merely evolved, with Trump's apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union. In *House of Trump, House of Putin*, Craig Unger methodically traces the deep-rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia. He traces Donald Trump's sordid ascent from foundering real estate tycoon to leader of the free world. He traces Russia's phoenix like rise from the ashes of the post-Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower. Without Trump, Russia would have lacked a key component in its attempts to return to imperial greatness. Without Russia, Trump would not be president. This essential book is crucial to understanding the real powers at play in the shadows of today's world. The appearance of key figures in this book—Paul Manafort, Michael Cohen, and Felix

Sater to name a few—ring with haunting significance in the wake of Robert Mueller's report and as others continue to close in on the truth.

Corey R. Lewandowski and David N. Bossie, the authors of the blockbuster, *Let Trump Be Trump: the Inside Story of His Rise to the Presidency*, are back with their next New York Times bestseller. The assault on the 45th president began immediately following Donald J. Trump's victory in the 2016 presidential election. It was then that Democrats concocted the absurd story of Russian spies and international plots as an excuse for Hillary's humiliating defeat. It was in those early days, too, during the presidential transition, when enemies of Donald Trump began to tunnel their way into the White House with the intent to undermine the president and subvert his agenda. Perhaps there are no two people better to tell what is certain to be the story of our lifetime than Corey R. Lewandowski and David N. Bossie. The guys in the room who brought you the bestselling account of the 2016 Donald J. Trump for President campaign, *Let Trump Be Trump*, Lewandowski and Bossie now offer a first-hand account of what is, perhaps, the battle for the life of our very democracy. Using unparalleled, behind-the-scenes sourcing from inside the White House and on Capitol Hill, and access to the president and other key players, *Trump's Enemies* offers a never-before-seen look deep into the forces aligned against the president. Lewandowski and Bossie

were present in Trump Tower and at Bedminster during the presidential transition and saw the events that gave root to the unelected "resistance" in the White House today. Bossie was witness to the moment the fake Russia investigation was enacted by James Comey, who legitimized the phony "Steele dossier" by presenting it to the new president-elect. A close confidant of the president, Lewandowski knows what goes on behind the West Wing walls as well as anyone. But Trump's Enemies is also the story of how President Trump is fighting back. In the face of a gale of media disinformation and the looming black cloud of Mueller's politically motivated investigation, President Trump has still managed to accomplish more than any of his predecessor in the short time he's been in office. Often traveling with the president on Air Force One to rallies around the country, Lewandowski and Bossie tell, as no one else can, the story of Donald Trump bringing his message to the people who are the only ones who should decide the future of his presidency-the American voters.

Perhaps the most anticipated publication in American history, this is the full text, Volumes 1 and 2, of special counsel Robert Mueller's investigation. It is THE REPORT AND NOTHING BUT THE REPORT, in a beautifully typeset edition, with full searchability in ebook formats. It is, word for word, presented exactly as released by the Attorney General of the United States, with no positioning -- such

as a celebrity introduction -- that would give it bias or impede its clarity. One of the most-talked-about investigations in American history, the subject of constant media discussion and speculation, non-stop and controversial attacks from the president, and the eager anticipation of a public wondering what the truth is, this long-awaited publication is an historic event. The Mueller Report continues Melville House's "tradition of publishing pivotal public documents."—The New York Times

The Law Library presents the complete text of the Ukraine-Related Sanctions (US Office of Foreign Assets Control Regulation) (OFAC) (2018 Edition). Updated as of May 29, 2018 The Department of the Treasury's Office of Foreign Assets Control ("OFAC") is issuing regulations to implement Executive Order 13660 of March 6, 2014 ("Blocking Property of Certain Persons Contributing to the Situation in Ukraine"), Executive Order 13661 of March 17, 2014 ("Blocking Property of Additional Persons Contributing to the Situation in Ukraine"), and Executive Order 13662 of March 20, 2014 ("Blocking Property of Additional Persons Contributing to the Situation in Ukraine"). OFAC intends to supplement this part 589 with a more comprehensive set of regulations, which may include additional interpretive and definitional guidance and additional general licenses and statements of licensing policy. This ebook contains: - The complete text of

the Ukraine-Related Sanctions (US Office of Foreign Assets Control Regulation) (OFAC) (2018 Edition) - A dynamic table of content linking to each section - A table of contents in introduction presenting a general overview of the structure

From the author of the New York Times bestseller *Nothing Daunted, The Agitators* chronicles the revolutionary activities of Harriet Tubman, Frances Seward, and Martha Wright: three unlikely collaborators in the quest for abolition and women's rights. In Auburn, New York, in the mid-nineteenth century, Martha Wright and Frances Seward, inspired by Harriet Tubman's slave rescues in the dangerous territory of Eastern Maryland, opened their basement kitchens as stations on the Underground Railroad. Tubman was an illiterate fugitive slave, Wright was a middle-class Quaker mother of seven, and Seward was the aristocratic wife and moral conscience of her husband, William H. Seward, who served as Lincoln's Secretary of State. All three refused to abide by laws that denied them the rights granted to white men, and they supported each other as they worked to overturn slavery and achieve full citizenship for blacks and women. *The Agitators* opens when Tubman is a slave and Wright and Seward are young women bridling against their traditional roles. It ends decades later, after Wright's and Seward's sons--and Tubman herself--have taken part in three of the defining engagements of the Civil War. Through the sardonic and

anguished accounts of the protagonists, reconstructed from their letters, diaries, and public appearances, we see the most explosive debates of the time, and portraits of the men and women whose paths they crossed: Lincoln, Seward, Frederick Douglass, William Lloyd Garrison, John Brown, Elizabeth Cady Stanton, Susan B. Anthony, Harriet Beecher Stowe, and others. Tubman, embraced by Seward and Wright and by the radical network of reformers in western New York State, settles in Auburn and spends the second half of her life there. With extraordinarily compelling storytelling reminiscent of Doris Kearns Goodwin's *No Ordinary Time* and David McCullough's *John Adams*, *The Agitators* brings a vivid new perspective to the epic American stories of abolition, the Underground Railroad, women's rights activism, and the Civil War.

A spy story like no other. Private spies are the invisible force that shapes our modern world: they influence our elections, effect government policies and shape the fortunes of companies. More deviously, they are also peering into our personal lives as never before, using off-the-shelf technology to listen to our phone calls, monitor our emails and decide what we see on social media. *Spooked* takes us on a journey into a secret billion-dollar industry in which information is currency and loyalties are for sale. An industry so tentacular it reaches from Saddam Hussein to an 80s-era Trump, from the Steele dossier written by a British ex-spy to Russian oligarchs sitting pretty in Mayfair mansions, from the devious tactics of Harvey Weinstein to the growing role of corporate spies in politics and the threat to future elections.

## Acces PDF Donald Trump Steele Dossier Never Trumpers Are

Spooked reads like the best kind of spy story: a gripping tale packed with twists and turns, uncovering a secret side of our modern world.

Sept. 18-Late afternoon on Monday, Sept. 17, the White House Office of the Press Secretary issued the following statement from the Press Secretary, which we include here in its entirety: STATEMENT FROM THE PRESS SECRETARY Issued on: September 17, 2018 At the request of a number of committees of Congress, and for reasons of transparency, the President has directed the Office of the Director of National Intelligence and the Department of Justice (including the FBI) to provide for the immediate declassification of the following materials: (1) pages 10-12 and 17-34 of the June 2017 application to the FISA court in the matter of Carter W. Page; (2) all FBI reports of interviews with Bruce G. Ohr prepared in connection with the Russia investigation; and (3) all FBI reports of interviews prepared in connection with all Carter Page FISA applications. In addition, President Donald J. Trump has directed the Department of Justice (including the FBI) to publicly release all text messages relating to the Russia investigation, without redaction, of James Comey, Andrew McCabe, Peter Strzok, Lisa Page, and Bruce Ohr. According to press accounts on Monday evening, the documents will be released "expeditiously" with the FISA application coming first, together with the FBI interview reports of Bruce Ohr and Carter Page. It is anticipated that the text messages will take a longer time to release. This dramatic action by the President occurs at the same time as a grand jury in the District of Columbia considers criminal indictments of key officials for leaks of classified information generated in the Russiagate investigation to the news media, according to widespread press reports. By all accounts, the declassification of these documents will allow the public to grasp, for the first time, a clear view of the most frightening

## Acces PDF Donald Trump Steele Dossier Never Trumpers Are

political abuse of power in American history. The Obama Administration, acting at the behest of the British government, set out to destroy Donald Trump's candidacy on behalf of his opponent Hillary Clinton, using the full national security and law enforcement powers of the United States to do so and then to destroy his Presidency. British intelligence, through MI6's Christopher Steele, produced a political hit piece on Donald Trump, which was paid for by Hillary Clinton. Steele's dirty dossier asserted that Trump had nefarious connections to Russia and that Putin had compromised him. On four separate occasions, Obama Justice Department officials went to the top-secret FISA court, established under the Foreign Intelligence Surveillance Act of 1978, to obtain complete surveillance of Trump campaign volunteer Carter Page, and through him on the Trump campaign itself. According to Steele's deliberately false claim, Carter Page was a central figure in the Trump/Moscow nexus. The same Justice Department officials knew, when they made the application, that Steele's dossier was false concerning Page. They never informed the court that Steele's information had been paid for by Hillary Clinton, Trump's opponent, and that it had never been verified as required by FISA procedures. Steele's dirty dossier was used by John Brennan's CIA as the pretext for entrapment operations against Trump campaign volunteers George Papadopoulos and Carter Page, conducted, for the most part, on British soil. All the while, the FBI and others were leaking endlessly to the news media that there was a serious FBI investigation of candidate Trump which implicitly involved charges amounting to treason with respect to Russia. James Comey, Andrew McCabe, Peter Strzok, Lisa Page, and Bruce Ohr were key players in this orchestrated information warfare and political espionage operation against Donald Trump. LaRouche PAC has repeatedly called for the President to declassify, in addition to these

documents, all British-spawned documents demanding investigation of Donald Trump and his campaign associates...

The sensational Sunday Times #1 Bestseller about taking on the mafia, the Clintons and Trump. 'An urgent clarion call.' - The Financial Times In his massive Number One bestselling memoir, former FBI director James Comey shares his never-before-told experiences from some of the highest-stakes situations of his career in the past two decades of American government, exploring what good, ethical leadership looks like, and how it drives sound decisions. His journey provides an unprecedented entry into the corridors of power, and a remarkable lesson in what makes an effective leader. Mr. Comey served as director of the FBI from 2013 to 2017, appointed to the post by President Barack Obama. He previously served as U.S. attorney for the Southern District of New York, and the U.S. deputy attorney general in the administration of President George W. Bush. From prosecuting the Mafia and Martha Stewart to helping change the Bush administration's policies on torture and electronic surveillance, overseeing the Hillary Clinton e-mail investigation as well as ties between the Trump campaign and Russia, Comey has been involved in some of the most consequential cases and policies of recent history.

The 2016 Election, which altered American political history, was not decided by the Russians or in Ukraine or by Steve Bannon. The event that broke Hillary's blue wall in the Midwest and swung Florida and North Carolina was an October Surprise, and it was wholly a product of the leadership of the FBI. This is the inside story by the reporter closest to its center. In September 2016, Hillary Clinton was the presumptive next president of the US. She had a blue wall of states leaning her way in the Midwest, and was ahead in North Carolina and Florida, with a

better than even shot at taking normally Republican Arizona. The US was about to get its first woman president. Yet within two months everything was lost. An already tightening race saw one seismic correction: it came in October when the FBI launched an investigation into the Clinton staff's use of a private server for their emails. Clinton fell 3-4 percent in the polls instantly, and her campaign never had time to rebut the investigation or rebuild her momentum so close to election day. The FBI cost her the race. *October Surprise* is a pulsating narrative of an agency seized with righteous certainty that waded into the most important political moment in the life of the nation, and has no idea how to back out with dignity. So it doggedly stands its ground, compounding its error. In a momentous display of self-preservation, James Comey, Andrew McCabe, and key Justice Department officials decide to protect their own reputations rather than save the democratic process. Once they make that determination, the race is lost for Clinton, who is helpless in front of their accusation even though she has not intended to commit, let alone actually committed, any crime. A dark true-life thriller with historic consequences set at the most crucial moment in the electoral calendar, *October Surprise* is a warning, a morality tale and a political and personal tragedy.

The incredible, harrowing account of how American democracy was hacked by Moscow as part of a covert operation to influence the U.S. election and help Donald Trump gain the presidency. "Russian Roulette is...the most thorough and riveting account." -- The New York Times *Russian Roulette* is a story of political skullduggery unprecedented in American history. It weaves together tales of international intrigue, cyber espionage, and superpower rivalry. After U.S.-Russia relations soured, as Vladimir Putin moved to reassert Russian strength on the global stage, Moscow trained its best hackers and trolls on U.S. political targets and

exploited WikiLeaks to disseminate information that could affect the 2016 election. The Russians were wildly successful and the great break-in of 2016 was no "third-rate burglary." It was far more sophisticated and sinister -- a brazen act of political espionage designed to interfere with American democracy. At the end of the day, Trump, the candidate who pursued business deals in Russia, won. And millions of Americans were left wondering, what the hell happened? This story of high-tech spying and multiple political feuds is told against the backdrop of Trump's strange relationship with Putin and the curious ties between members of his inner circle -- including Paul Manafort and Michael Flynn -- and Russia. Russian Roulette chronicles and explores this bizarre scandal, explains the stakes, and answers one of the biggest questions in American politics: How and why did a foreign government infiltrate the country's political process and gain influence in Washington?

**\*\*THE INSTANT NEW YORK TIMES BESTSELLER\*\*** Kompromat n.—Russian for "compromising information" This is a story about the dirty secrets of the most powerful people in the world—including Donald Trump. It is based on exclusive interviews with dozens of high-level sources—intelligence officers in the CIA, FBI, and the KGB, thousands of pages of FBI investigations, police investigations, and news articles in English, Russian, and Ukrainian. American Kompromat shows that from Trump to Jeffrey Epstein, kompromat was used in operations far more sinister than the public could ever imagine. Among them, the book addresses what may be the single most important unanswered question of the entire Trump era: Is Donald Trump a Russian asset? The answer, American Kompromat says, is yes, and it supports that conclusion backs with the first richly detailed narrative on how the KGB allegedly first “spotted” Trump as a potential asset, how they cultivated him as an asset, arranged his

## Acces PDF Donald Trump Steele Dossier Never Trumpers Are

first trip to Moscow, and pumped him full of KGB talking points that were published in three of America's most prestigious newspapers. Among its many revelations, American Kompromat reports for the first time that:

- According to Yuri Shvets, a former major in the KGB, Trump first did business over forty years ago with a Manhattan electronics store co-owned by a Soviet émigré who Shvets believes was working with the KGB. Trump's decision to do business there triggered protocols through which the Soviet spy agency began efforts to cultivate Trump as an asset, thus launching a decades-long "relationship" of mutual benefit to Russia and Trump, from real estate to real power.
- Trump's invitation to Moscow in 1987 was billed as a preliminary scouting trip for a hotel, but according to Shvets, was actually initiated by a high-level KGB official, General Ivan Gromakov. These sorts of trips were usually arranged for 'deep development,' recruitment, or for a meeting with the KGB handlers, even if the potential asset was unaware of it.
- Before Trump's first trip to Moscow, he met with Natalia Dubinina, who worked at the United Nations library in a vital position usually reserved as a cover for KGB operatives. And many more...

\_\_\_\_\_ THE EXPLOSIVE NEW YORK TIMES BESTSELLER 'A bombshell.' Daily Mail 'Damning, terrifying and enraging.' The Spectator \_\_\_\_\_ House of Trump, House of Putin offers the first comprehensive investigation into the decades-long relationship among Donald Trump, Vladimir Putin, and the Russian Mafia that ultimately helped win Trump the White House. As Unger traces Donald Trump's sordid ascent from foundering real estate tycoon to leader of the free world, House of Trump, House of Putin, reveals the deep-rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia. Examining Russia's

phoenixlike rise from the ashes of the post-Cold War Soviet Union, Unger reveals its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower, and how such ambitions came to compromise the president. Without Trump, Russia would have lacked a key component in its attempts to return to imperial greatness. Without Russia, Trump would not be in the White House. This essential book is crucial to understanding the real powers at play in the shadows of today's world.

**#1 NEW YORK TIMES BESTSELLER** • The vital inside account of American democracy in its darkest hour, from the rise of autocracy unleashed by Trump to the January 6 insurrection, and a warning that those forces remain as potent as ever—from the congressman who led the first impeachment of Donald J. Trump “Engaging and informative . . . a manual for how to probe and question power, how to hold leaders accountable in a time of diminishing responsibility.”—The Washington Post In the years leading up to the election of Donald Trump, Congressman Adam Schiff had already been sounding the alarm over the resurgence of autocracy around the world, and the threat this posed to the United States. But as he led the probe into Donald Trump’s Russia and Ukraine-related abuses of presidential power, Schiff came to the terrible conclusion that the principal threat to American democracy now came from within. In *Midnight in Washington*, Schiff argues that the Trump presidency has so weakened our institutions and compromised the Republican Party that the peril will last for years, requiring unprecedented vigilance against the growing and dangerous appeal of authoritarianism. The congressman chronicles step by step just how our democracy was put at such risk, and traces his own path to meeting the crisis—from serious prosecutor, to congressman with an expertise in national security and a reputation for bipartisanship, to

liberal lightning rod, scourge of the right, and archenemy of a president. Schiff takes us inside his team of impeachment managers and their desperate defense of the constitution amid the rise of a distinctly American brand of autocracy. Deepening our understanding of prominent public moments, Schiff reveals the private struggles, the internal conflicts, and the triumphs of courage that came with defending the republic against a lawless president—but also the slow surrender of people that he had worked with and admired to the dangerous immorality of a president engaged in an historic betrayal of his office. Schiff's fight for democracy is one of the great dramas of our time, told by the man who became the president's principal antagonist. It is a story that began with Trump but does not end with him, taking us through the disastrous culmination of the presidency and Schiff's account of January 6, 2021, and how the anti-democratic forces Trump unleashed continue to define his party, making the future of democracy in America more uncertain than ever.

Fox News legal analyst Gregg Jarrett reveals the real story behind Hillary Clinton's deep state collaborators in government and exposes their nefarious actions during and after the 2016 election. The Russia Hoax reveals how persons within the FBI and Barack Obama's Justice Department worked improperly to help elect Hillary Clinton and defeat Donald Trump in the 2016 presidential election. When this suspected effort failed, those same people appear to have pursued a contrived investigation of President Trump in an attempt to undo the election results and remove him as president. The evidence suggests that partisans within the FBI and the Department of Justice, driven by personal animus and a misplaced sense of political righteousness, surreptitiously acted to subvert electoral democracy in our country. The book will examine: How did Hillary Clinton manage to escape prosecution despite compelling

## Acces PDF Donald Trump Steele Dossier Never Trumpers Are

evidence she violated the law? Did Peter Strzok, James Comey, Andrew McCabe, Loretta Lynch, and others obstruct justice by protecting Clinton? Why was there never a legitimate criminal investigation of Clinton in the Uranium One case? Are the text messages exchanged between Strzok and FBI lawyer Lisa Page evidence of a concerted effort to undermine the electoral process? Was there ever any real evidence of "collusion" between Trump and the Russians? Did Trump obstruct justice in the firing of Comey or was he legally exercising his constitutional authority? Did the FBI and DOJ improperly use a discredited "dossier" about Trump to obtain a FISA warrant to spy on Trump associates? Should Muller have disqualified himself under the special counsel law based on glaring conflicts of interest? Was fired National Security Adviser Michael Flynn unfairly charged with making a false statement? With insightful analysis and a fact-filled narrative, *The Russia Hoax* delves deeply into Democrat wrongdoing. Instant New York Times Bestseller "Important and stunning. This is must-read material if you want to understand what the Trump administration is still up to right now." --Lawrence O'Donnell

There are questions that the Mueller report couldn't—or wouldn't—answer. What actually happened to instigate the Russia investigation? Did President Trump's meddling incriminate him? There's no mystery to what Trump thinks. He claims that the Deep State, a cabal of career bureaucrats—among them, Andrew McCabe, Lisa Page, and Peter Strzok, previously little known figures within the FBI whom he has obsessively and publically reviled—is concerned only with protecting its own power and undermining the democratic process. Conversely, James Comey has defended the FBI as incorruptible apolitical public servants who work tirelessly to uphold the rule of law. For the first time, bestselling author James B. Stewart sifts these conflicting accounts to present a clear-eyed view of what exactly happened

## Acces PDF Donald Trump Steele Dossier Never Trumpers Are

inside the FBI in the lead-up to the 2016 election, drawing on scores of interviews with key FBI, Department of Justice, and White House officials and voluminous transcripts, notes, and internal reports. In full detail, this is the dramatic saga of the FBI's simultaneous investigations of both Hillary Clinton and Donald Trump—the first time in American history the FBI has been thrust into the middle of both parties' campaigns for the presidency. Stewart shows what exactly was set in motion when Trump fired Comey, triggering the appointment of Robert Mueller as an independent special counsel and causing the FBI to open a formal investigation into the president himself. And how this unprecedented event joined in ongoing combat two vital institutions of American democracy: the presidency and the Federal Bureau of Investigation. At stake in this epic battle is the rule of law itself, the foundation of the U.S. Constitution. There is no room for compromise, but plenty for collateral damage. The reputations of both sides have already been harmed, perhaps irrevocably, and at great cost to American democracy. Deep State goes beyond the limits of the legally constrained Mueller report, showing how the president's obsession with the idea of a conspiracy against him is still upending lives and sending shockwaves through both the FBI and the Department of Justice. In this world-historical struggle—Trump versus intelligence agencies—Stewart shows us in rare style what's real and what matters now. And for the looming 2020 election.

From Sandy “Pepa” Denton—rap legend and outspoken star of VH1's smash-hit reality show—comes the juicy tell-all in which she talks about sex, music, life, love, fame, and so much more. The spiciest ingredient in the legendary rap group Salt-N-Pepa, fans know Sandy Denton as Pep, or Pepa, the fun-loving half of Salt-N-Pepa. But behind the laughs and the smiles is a whole lot of pain, and for the first time in Let's talk About Pep, she candidly talks

about her troubled childhood, surviving abuse, her first encounters with Cheryl “Salt” James, instant success, her failed marriages and escape from domestic abuse, and her triumphant comeback on reality shows like *The Surreal Life* and *The Salt-N-Pepa Show*. Filled with surprising insights, outrageous anecdotes, and celebrity cameos—including Queen Latifah, Martin Lawrence, Janice Dickinson, Missy Elliott, L.L. Cool J, Ron Jeremy, Lisa “Left Eye” Lopez, and many others—*Let’s Talk About Pep* offers a fascinating glimpse behind the fame, family, failures, and success...and into the faithful heart of a woman who will always treasure the good friends she found along the way. Every bit as captivating and provocative as her Grammy Award-winning music, this story reveals the real Pepa—upfront, uncensored, unstoppable—a true pioneer, survivor, and inspiration to women everywhere.

#1 NEW YORK TIMES BESTSELLER “History matters to McCain, and for him America is and was about its promise. The book is his farewell address, a mixture of the personal and the political. ‘I have loved my life,’ he writes. ‘All of it.’ *The Restless Wave* is a fitting valedictory for a man who seldom backed down.” —*The Guardian* (US) “A book-length meditation on what it means to face the hard challenges of long life and the sobering likelihood of imminent death...A reflection on hardship, a homily on purpose, a celebration of life — and a challenge to Americans to live up to their values and founding principles at a time when both are in jeopardy.” —*The Boston Globe* In this candid political memoir from Senator John McCain, an American hero reflects on his life and what matters most. “I don’t know how much longer I’ll be here. Maybe I’ll have another five years...Maybe I’ll be gone before you read this. My predicament is, well, rather unpredictable. But I’m prepared for either contingency, or at least I’m getting prepared. I have some things I’d like to take care of first, some work that needs

finishing, and some people I need to see. And I want to talk to my fellow Americans a little more if I may.” So writes John McCain in this inspiring, moving, frank, and deeply personal memoir. Written while confronting a mortal illness, McCain looks back with appreciation on his years in the Senate, his historic 2008 campaign for the presidency against Barack Obama, and his crusades on behalf of democracy and human rights in Eastern Europe and the Middle East. Always the fighter, McCain attacks the spurious nationalism and political polarization afflicting American policy. He makes an impassioned case for democratic internationalism and bi-partisanship. He recalls his disagreements with several presidents, and minces no words in his objections to some of President Trump's statements and policies. At the same time, he tells stories of his most satisfying moments of public service and offers a positive vision of America that looks beyond the Trump presidency. The Restless Wave is John McCain at his best. Pulitzer Prize-winning journalist Charlie Savage's penetrating investigation of the Obama presidency and the national security state. Barack Obama campaigned on changing George W. Bush's "global war on terror" but ended up entrenching extraordinary executive powers, from warrantless surveillance and indefinite detention to military commissions and targeted killings. Then Obama found himself bequeathing those authorities to Donald Trump. How did the United States get here? In *Power Wars*, Charlie Savage reveals high-level national security legal and policy deliberations in a way no one has done before. He tells inside stories of how Obama came to order the drone killing of an American citizen, preside over an unprecedented crackdown on leaks, and keep a then-secret program that logged every American's phone calls. Encompassing the first comprehensive history of NSA surveillance over the past forty years as well as new information about the Osama bin Laden raid, *Power*

Wars equips readers to understand the legacy of Bush's and Obama's post-9/11 presidencies in the Trump era.

From the AWARD-WINNING JOURNALIST and #1 NEW YORK TIMES BESTSELLING AUTHOR of COLLUSION 'Luke Harding is one of the best reporters in the world.' -- Robert Saviano '[Collusion is] a superb piece of work ... essential reading for anyone who cares for his country.' -- John Le Carré \*\*\* No terrorist group has deployed a nerve agent in a civilian area or used a radioactive mini-bomb in London. The Kremlin has done both. Shadow State is a gripping investigative account of how Russia's spies helped elect Donald Trump, backed Brexit, murdered enemies and threatened the very basis of western democracy. The operatives come in disguise. They pose as tourists, journalists and businessmen. Utterly ruthless, sometimes bungling and always ambitious, they roam from Salisbury to Helsinki, Ukraine to the Central African Republic, London to Washington. SHADOW STATE is a riveting and alarming investigation into those spies and the way Russia has used them to wage an increasingly bold war in the UK and beyond. The Kremlin has attempted to reshape politics in their own mould; the future of Western democracy is at stake as a result

\*\* THE NEW YORK TIMES BESTSELLER\*\* The never-before-told, inside story of the Steele Dossier and the Trump-Russia investigation 'The best procedural yet written about the discovery of Trump's Russia ties' New York Times The founders of the Washington-based intelligence firm Fusion GPS Glenn Simpson and Peter Fritsch were the first to uncover Trump's disturbing ties to the Kremlin and the crimes that have since plagued his presidency. Working with British former MI6 agent and Russia expert Christopher Steele, they produced the notorious dossier which disclosed that the Trump team was deeply compromised by a

hostile foreign power bent on disrupting the West and influencing the US presidential election. In *Crime in Progress*, the authors chronicle their high-stakes investigation and desperate efforts to warn both the American and British governments, the FBI and the media - no matter the cost. When the dossier finally exploded onto the world stage after a leak, it led to the Mueller report and disrupted Trump's secret planned rapprochement with Putin's Russia. After years on his trail, the authors' inescapable conclusion is that Trump is an asset of the Russian government, whether he knows it or not. A real-life political thriller with the makings of a modern classic, *Crime in Progress* is the definitive story of the pursuit of the truth about Trump and one of the greatest betrayals in American history. 'I've read all the books on this subject - this is the one you want to read . . . I feel fairly steeped in this matter and I learned something on every page' Rachel Maddow, MSNBC 'You don't need to read John le Carré or Tom Clancy to find espionage thrills in Washington these days, turn over any stone in the Beltway's secret world and you'll observe the seething mass of conspiracy and subterfuge beneath . . . Take Glenn Simpson and Peter Fritsch, who have become central characters in a quite terrifying international spy thriller' Josh Glancy, Sunday Times

"Imagine a strategy memo forecasting cyberattacks by Russian hackers, trolls, and bots designed to roil social discontent and damage the electoral prospects of a major party US presidential nominee, or, if she winds up winning, to sabotage her ability to govern by seeding allegations of Democratic voter fraud. Guaranteed payoff. No fingerprints. No keystroke record. No contrails in the cloud. To ensure that Americans would believe that disparaging messages about her were made in the US, use bitcoin to buy space and set up virtual private networks (VPNs) on American servers. Distribute hacked content stolen from the accounts of her staff

## Acces PDF Donald Trump Steele Dossier Never Trumpers Are

and associates through an intermediary, WikiLeaks. Use identity theft, stolen Social Security numbers, and appropriated IDs to circumvent Facebook and PayPal's demand for actual names, birth dates, and addresses. On platforms such as Instagram and Twitter, register under assumed names. Diffuse and amplify your attack and advocacy through posts on Facebook, tweets and retweets on Twitter, videos on YouTube, reporting and commentary on RT, blogging on Tumblr, news sharing on Reddit, and viral memes and jokes on 9GAG. Add to the mix a video game called Hilltendo in which a missile-straddling Clinton figure vaporizes classified emails sought by the FBI. Employ "online agitators" and bots to upvote posts from imposter websites such as BlackMattersUS.com to the top of such subreddits as r/The\_Donald and r/HillaryForPrison. Drive content to trend. To maximize the impact of your handiwork, use data analytics and search-engine maximization tools built into the social media platforms. To test and fuel doubts about the security of US voter information, hack the election systems of states. And, throughout the primary and general election season, insinuate the notion that if Hillary Clinton were to win, she would have done so by rigging the election, an outcome that would repay her assaults on the legitimacy of their leader's presidency with doubts about her own. Were she instead to lose, she would no longer be a thistle in the toned torso of the hackers and trolls' boss's likely boss. Every result but one produces desirable results for the Kremlin. Outcome one: Clinton is off the international stage. Outcome two: she wins but can't govern effectively. Outcome three: the former Secretary of State is elected and the country simply moves on, but the sabotage nonetheless has magnified cultural tensions and functioned as a pilot from which to birth later success - perhaps when she runs for a second term. The only eventuality that damages the Russian cybersoldiers and their commander-in-chief is the

fourth in which, in real time, the cyberattackers are unmasked by a vigilant intelligence community, condemned by those in both major political parties and around the world, characterized by the media as spies and saboteurs, the Russian messaging is blocked or labeled as Russian propaganda, and, when included in media accounts, the stolen content is relentlessly tied to its Russian origins and sources. None of that happened. Instead, to the surprise of the Russian masterminds as well as both Hillary Clinton and Donald Trump, he won the Electoral College and with it a four-year claim on 1600 Pennsylvania Avenue. Although countrywide she bested him by almost 2.9 million votes, he unexpectedly captured an Electoral College majority by running the table. By the end of the evening of November 8, Florida as well as Wisconsin, Michigan, and Pennsylvania were in his column. The ways in which Russian hacking and social media messaging altered the content of the electoral dialogue and contributed to Donald Trump's victory are the subjects of this book. To begin my exploration, this overview chapter will highlight key findings of the US intelligence community; preview my focus on the hackers and trolls and the synergies between them; justify casting the Russian machinations as acts of cyberwar; outline ways in which susceptibilities in our system of government and media structures magnified their effects; and note five presuppositions that will shape my analysis of the Russian trolls' work and one that will guide my study of the effects of the hackers."--

Behind The Steele Dossier puts every reader in the center of the action – from the Steele Dossier's planning and press contacts to congressional under oath answers and the courtroom. Readers will know what said between Fusion GPS Founder Simpson

and former MI-6 Spy Christopher Steele. · Why they prepared the dossier? · Who did they contact – FBI, CIA, DOJ, Media, Sources – and when? · Where did they get their information? Behind The Steel Dossier also reveals: what was said between the FBI-DOJ-CIA on this dossier produced by a “Russian Expert” who left Russia over 25 years ago. No Bias. No Bull: This book intentionally does not contain articles from the media or quotes from Cable-TV. Instead, it contains under oath statements provided by the only persons – Steele, Simpson, and government officials (CIA\*FBI\*DOJ) – who knew the answers to America’s questions. No anonymous sources. No politically biased remarks – from either Party. Behind The Steele Dossier focuses on the Senate Examination of Glenn Simpson – Fusion GPS founder – who hired Steele to research Trump. · Reading the Steele Dossier is easy. But, to develop a deeper understanding, it’s essential to get the reasons it was written. The world needs to understand the motivations, the objectives, the intentions, etc. And that is provided by the under oath answers in this book. · By focusing on this Senate Exam – conducted by attorneys; not politicians – this incredible read concentrates on a fact-based examination by credible counsel from the Senate. These unbiased solicitors provided the world with a non-partisan document: clear and concise with a well-planned outline and excellent timeline. In reading over 3,000 pages of congressional testimony, articles from every angle, letters/memos from politicians; Behind The Steele Dossier cuts through the political bias by publishing facts. Such as these Simpson hearing quotes that we never heard: ·

It's sort of like when you're a journalist...you don't really decide who's telling the truth · We were encouraging the media to ask questions about whether the FBI... · I knew it was the DNC that we were working for · I was asked to provide some information to the Justice Department · The Orthodox Church is also an arm of the Russian State · Putin essentially took over the Russian Jewish Community and Leadership · There was a lot of Jewish immigration...and a lot of those people...became very successful and wealthy. · They (FBI) had other intelligence about this matter from an internal Trump campaign source The Russians were interested in making friends with Republicans. · In British intelligence the methodology's a little different from American intelligence. There's a practice of being faithful to what people are saying NOW...it's time for America to decide AND for the world to see: What's real news? What's fake news? Thanks and God Bless America! Daniel David Elles

LONGLISTED FOR THE 2016 GOODREADS CHOICE AWARDS, BEST NONFICTION  
A LITHUB BOOK OF THE DECADE The US is one of the largest democracies in the world — or is it? America is experiencing an age of profound economic inequality. Employee protections have been decimated, and state welfare is virtually non-existent, while hedge-fund billionaires are grossly under-taxed and big businesses make astounding profits at the expense of the environment and of their workers. How did this come about, and who are the driving forces behind it? In this powerful and meticulously researched work of investigative journalism, New Yorker staff writer Jane Mayer

exposes the network of billionaires trying to buy the US electoral system — and succeeding. Led by libertarian industrialists the Koch brothers, they believe that taxes are a form of tyranny and that government oversight of business is an assault on freedom. Together, they have spent hundreds of millions of dollars in uencing politicians and voters, and hijacking American democracy for their own ends. Dark Money brilliantly illuminates a shady corner of US politics. It is essential reading for anybody interested in the future of democracy. PRAISE FOR JANE MAYER 'Indispensable.' The Guardian 'Persuasive, timely and necessary.' The New York Times

Follow the Money exposes the labyrinth of connections between D.C.'s slimiest swamp creatures—Democrat operatives, lying informants, desperate and destructive FBI agents, Obama power brokers, CIA renegade John Brennan, George Soros, and more—who conspired to attack Trump by manufacturing one bogus scandal after another. Bestselling author, podcast favorite, and Fox News contributor Dan Bongino delivers the third and most shocking of his acclaimed series chronicling the Deep State war against Donald Trump. Starting with the Trump impeachment hearings, Bongino works forward and backward to piece together the connections of a vast, well-funded cabal of wealthy Democrats and D.C. swamp elite to the non-stop deluge of manufactured scandals launched specifically to attack, destabilize, and ultimately remove Trump and his administration. Zooming in on Ukraine, Bongino unspools a

complex sequence of corruption—from the miraculous “discovery” of a mysterious black ledger that linked financial transactions to Trump campaign insider Paul Manafort and cast a shadow over the entire Trump team, to Joe Biden’s unexamined quid pro quo interference with Kyiv politics as he threatened to withhold a loan unless a prosecutor was removed from office. The former Secret Service agent exposes how Glenn Simpson, the corrupt cheerleader behind the lie-filled Steele dossier, wrangled millions from top Democrat donor George Soros to meddle in Ukraine politics. Bongino also reveals Soros’s desperate multimillion-dollar plan to stop Trump’s re-election. Using FBI documents, Bongino reveals the outrageous actions of Robert Mueller’s investigators, who sat on evidence that proved the supposedly damning Trump Tower meeting between a Russian lawyer and senior campaign officials was nothing more than a twenty-minute waste of time for all involved. Other chapters delve into the disturbing presence of Obama’s fixer, obstruction angel Kathryn “Kathy” Ruemmler, who represents a rogues gallery of Russiagate political operatives; the FBI’s inside source on the National Security Council, Anthony Ferrante, who dedicated himself to the fruitless task of trying to prove the Steele dossier was legitimate; and “Special Agent 1” Stephen M. Somma’s curious obsession with Lt. Gen. Michael Flynn, which was stoked by a Flynn-fixated paid operative named Stefan Halper. Flynn is the centerpiece of one of the book’s most revealing chapters, in which Bongino deconstructs the FBI’s elaborate takedown of Trump’s National Security Advisor,

revealing how and why the three-star general was set up not once...but three times. Bongino also returns to the last, desperate attempt to derail Trump—the impeachment trial—and uncovers Adam Schiff’s lies and the Ukraine-call whistleblower’s multiple secret ties to never-Trumpers and Schiff himself. In the final chapter, Bongino unveils the newest front to stop Trump: the unleashing of COVID-19 from China and how the disease mutated from a killer plague in Wuhan to a weapon to destroy America’s economy and, with it, Trump’s re-election chances. Follow the Money displays dizzying detective work from a truly relentless, passionate, and patriotic reporter. An astonishing chronicle of the relentless war to destroy Donald Trump and his administration, this exposé is a must-read for anyone who wants to unravel the most shocking and corrupt campaign to unseat a sitting president in American history.

A Pulitzer Prize winning investigative journalist’s journey into a billion-dollar secret industry that is shaping our world – the booming business of private spying, operatives-for-hire retained by companies, political parties and the powerful to dig up dirt on their enemies and, if need be, destroy them. For decades, private eyes from Allan Pinkerton, who formed the first detective agency in the U.S., to Jules Kroll, who transformed the investigations business by giving it a corporate veneer, private spies were content to stand in the shadows. Now, that is all changing. High-profile stories grabbing recent headlines – the Steele Dossier, Black Cube, the Theranos scandal, Harvey Weinstein’s attacks on his accusers – all share a common thread, the involvement of private spies.

Today, operatives-for-hire are influencing presidential elections, the news media, government policies and the fortunes of companies.. They are also peering into our personal lives as never before, using off-the shelf technology to listen to our phone calls, monitor our emails, and decide what we see on social media. Private spying has never been cheaper and the business has never been more lucrative—just as its power has never been more pervasive. Spooked is a fast-paced, disturbing and, at times, hilarious tour through the shadowlands of private spying and its inhabitants, a grab-bag collection of ex-intelligence operatives, former journalists and lost souls. In this hidden world, information is currency, double-crosses are commonplace, and hacking can be standard procedure. Drawing on his journalistic expertise and unique access to sources, Barry Meier uncovers the secrets private spies want to keep hidden.

TRUMP'S TEAM USING MOLES WITHIN THE DNC That's a quote from the actual Steele Dossier that is in this book, but has not hit the mainstream media. Is it true? Who's the mole? Who's the FBI insider in the Trump Campaign? Was Steele credible? Simpson says that he was opposed to Trump, but does he think there was collusion with the Russians? What about Bruce and Nellie Ohr? Author Daniel David Elles was on the 2010 ballot for Michigan House of Representatives as an Independent in Macomb County, Michigan – Home of the Reagan Democrats. He states: Perhaps we are “fly-over country”, but we make up a significant voting percentage of our Great Nation. In February, he wrote about Simpson specifically stating that the FBI had an

Daniel David Elles Michigan House of Representatives Candidate - INDEPENDENT

Wall Street Journal columnist and New York Times bestselling author Kim Strassel argues that the all-out "Resistance" has become dangerously reckless in its obstruction of President Trump. Among the most consistent and aggressive criticisms of Donald Trump is that he is a threat to American democracy -- a human wrecking ball demolishing our most basic values and institutions. Resistance (At All Costs) makes the opposite case -- that it is Trump's critics, in their zeal to oppose the president, who are

undermining our foundations. From the FBI's unprecedented counterintelligence investigation into the Trump campaign, to bureaucratic sabotage, to media partisanship, to the drive-by character assassination of Trump nominee Brett Kavanaugh, the president's foes have thrown aside norms, due process and the rule of law. Resistance (At All Costs) shows that the reaction to Trump will prove far more consequential and damaging to our nation long-term than Trump's time in office. Instant New York Times bestseller.

**#1 NEW YORK TIMES BESTSELLER** An explosive exposé that lays out the story behind the Steele Dossier, including Russia's decades-in-the-making political game to upend American democracy and the Trump administration's ties to Moscow.

"Harding...presents a powerful case for Russian interference, and Trump campaign collusion, by collecting years of reporting on Trump's connections to Russia and putting it all together in a coherent narrative." --The Nation December 2016. Luke Harding, the Guardian reporter and former Moscow bureau chief, quietly meets former MI6 officer Christopher Steele in a London pub to discuss President-elect Donald Trump's Russia connections. A month later, Steele's now-famous dossier sparks what may be the biggest scandal of the modern era. The names of the Americans involved are well-known--Paul Manafort, Michael Flynn, Jared Kushner, George Papadopoulos, Carter Page--but here Harding also shines a light on powerful Russian figures like Aras Agalarov, Natalia Veselnitskaya, and Sergey Kislyak, whose motivations and

instructions may have been coming from the highest echelons of the Kremlin. Drawing on new material and his expert understanding of Moscow and its players, Harding takes the reader through every bizarre and disquieting detail of the "Trump-Russia" story--an event so huge it involves international espionage, off-shore banks, sketchy real estate deals, the Miss Universe pageant, mobsters, money laundering, poisoned dissidents, computer hacking, and the most shocking election in American history.

From the KGB to the Kremlin: a multidimensional portrait of the man at war with the West. Where do Vladimir Putin's ideas come from? How does he look at the outside world? What does he want, and how far is he willing to go? The great lesson of the outbreak of World War I in 1914 was the danger of misreading the statements, actions, and intentions of the adversary. Today, Vladimir Putin has become the greatest challenge to European security and the global world order in decades. Russia's 8,000 nuclear weapons underscore the huge risks of not understanding who Putin is. Featuring five new chapters, this new edition dispels potentially dangerous misconceptions about Putin and offers a clear-eyed look at his objectives. It presents Putin as a reflection of deeply ingrained Russian ways of thinking as well as his unique personal background and experience. Praise for the first edition If you want to begin to understand Russia today, read this book. —Sir John Scarlett, former chief of the British Secret Intelligence Service (MI6) For anyone wishing to understand Russia's evolution since the breakup of the Soviet Union and its trajectory since then, the book you hold in

your hand is an essential guide.—John McLaughlin, former deputy director of U.S. Central Intelligence Of the many biographies of Vladimir Putin that have appeared in recent years, this one is the most useful. —Foreign Affairs This is not just another Putin biography. It is a psychological portrait. —The Financial Times Q: Do you have time to read books? If so, which ones would you recommend? "My goodness, let's see. There's Mr. Putin, by Fiona Hill and Clifford Gaddy. Insightful." —Vice President Joseph Biden in Joe Biden: The Rolling Stone Interview.
