

Electric Traction 2nd Impression

The challenges and opportunities offered to British farming by the profound changes of the eighteenth and nineteenth centuries make these years of outstanding interest to the agricultural historian. These original essays are presented to Gordon Mingay, the most distinguished historian of the Agricultural Revolution, and reflect his own interests in three central themes; landownership and landed society; rural labour; and agriculture both as a business and as a way of life.

Includes the Society's list of officers, members, and associates.

Official organ of the book trade of the United Kingdom.

Vols. for 1970-79 include an annual special issue called IEE reviews.

Includes annual report of its council (1941-48, in pt. 1).
