Schedule III regarding the presentation of financial statements as per the Companies Act, 2013 has been incorporated as Appendix 5 to the book. "It is best described as that part of academic wisdom that the authors have found useful in actually managing assets, coupled with heuristics that they have developed over the last decade"--

About the Book This book has been written with the twin goals of making the tax-payers aware about the compliances required for smooth conduct of GST audit of their business operations as well as to educate the tax auditors so as to enable them to conduct the audit in a fair,

Get Free Financial Accounting RI Gupta

transparent and impartial way to ensure compliance of GST law as well as to prevent and plug in the leakage of revenue well in time. The book discusses the practical aspects which an auditor should concentrate on while doing GST audit and where the taxpayers need to be more careful and vigilant. The audit process has been explained from inception i.e. selection of taxpayer and intimation of conducting GST audit right upto the conclusion of the same. The knowledge of accounts is pre-requisite for the departmental officers who otherwise have diverse academic backgrounds. A separate chapter on accounting has been written not only to acquaint them with the elementary accounting process but also to provide further authentic resources to those interested in enhancing their accounting skills. The auditors must perform their duties with utmost sincerity, integrity and diligence; therefore, guidelines about overall conduct of the auditors have been included following which they will manifest the best professional ethics. Key Features Analysis of GST Audit Process, Annual Returns (Form GSTR-9), Reconciliation Statement (GSTR-9C), Assessments under GST. Includes GSTAM-2019 issued by CBIC with specific reference to checks to be undertaken during GST Audit. Comprehensive guidance for conducting different types of audits under GST Act. Includes practical tables giving Step-by-Step approach with Internal control questionnaires. Detailed discussions on Key Reconciliation Statements including ITC, outward supplies etc. Dedicated chapter on analysis of GST returns, giving itemized compliance requirement by the taxpayers as well as points for checks by the departmental auditors. Explains key auditing and accounting terms relevant to GST.

Their Limitations During Inflation. In This Context, An Attempt Is Made To Underline The Importance Of Inflation Accounting With Particular Reference To A Case Study Of Selected Units.

Description: Intended primarily as a text for the undergraduate students of commerce, this book gives a comprehensive and indepth analysis of the concepts and principles underlying financial accounting. It also introduces the student to the tools and techniques essential for tackling real-life problems. The text discusses in detail final accounts, branch accounting, hire-purchase and instalment sales, partnership accounts, stock valuations, as well as other company accounts. The book would be of considerable help to the readers in preparing financial statements and would equip them with the necessary knowledge in understanding the financial performance and the financial position of an organization and communicate these to its stakeholders. Besides students of commerce, those appearing for various professional examinations such as CA and ICWA foundation courses should find this student-friendly and accessible book extremely useful.

This book is structured with the aim of providing teaching materials in English for Accounting Students. This teaching material is designed for learning accounting in English and students are expected to be able to explain accounting terms and accounting theories in English. Learning materials and assignments are developed with the principles of the Communicative Approach to develop student competencies in the four language skills, namely listening, speaking, reading, and writing. In addition, learning materials and tasks integrally develop life skills in a broad sense and increase

The book in its tenth edition has been thoroughly restructured and revised. All the chapters of the present edition have been re-written not only to incorporate the latest developments in management but also to make presentation of subject-matter more lucid and crisp. Chapter 3 of the previous edition (Managers and Environment) has been named as Management Challenges and Opportunities in the present edition so that proper focus is put on these issues. Thus, the present edition is ideally suited to management students as well as management practitioners, particularly those who have not gone through formal management education.
