We all pray . . . some. We pray to stay sober, centered, or solvent. When the lump is deemed malignant. When the money runs out before the month does. When the marriage is falling apart. We pray. But wouldn’t we like to pray more? Better? Stronger? With more fire, faith, and fervency? Yet we have kids to feed, bills to pay, deadlines to meet. The calendar pounces on our good intentions like a tiger on a rabbit. And what about our checkered history with prayer? Uncertain words. Unmet expectations. Unanswered requests. We aren’t the first to struggle with prayer. The first followers of Jesus needed prayer guidance too. In fact, prayer is the only tutorial they ever requested. And Jesus gave them a prayer. Not a lecture on prayer. Not the doctrine of prayer. He gave them a quotable, repeatable, portable prayer. Couldn’t we use the same? In Before Amen best-selling author Max Lucado joins readers on a journey to the very heart of biblical prayer, offering hope for doubts and confidence even for prayer wimps. Distilling prayers in the Bible down to one pocket-sized prayer, Max reminds readers that prayer is not a privilege for the pious nor the art of a chosen few. Prayer is simply a heartfelt conversation between God and his child. Let the conversation begin.

This revolutionary book will explain what God wants for and from us when we petition Him for his will to manifest “on Earth as it is in Heaven,” and how to understand the difference. Do you ever feel as if, despite your spirituality and faith, something significant is missing? Most teenagers and college students, as well as tens of millions of adults, are still striving to figure out the purpose and meaning of their lives. The natural struggle for faith in something intangible can be compounded by incorrect teachings and contradictory explanations of the workings of God in our lives. How does “free will” really work? What does it mean to ask for God’s will? When things happen in life, how do you really know whether that is God’s will? Is there really any point in praying for His will if we can’t influence it? These haunting personal questions became the genesis of PUSH as Matthesius sought answers. Now, he unpacks the powerful biblical truths he learned—the result of deep revelation from discovering God and constantly seeking to know him with all his heart. PUSH is about helping you discover God’s dream for your life so you become the blessing you were meant to be. It is about helping you truly embrace the power of prayer and understand what that means instead of simply treating it as a platitude you offer when someone is struggling. This book will instill confidence and promote vision. PUSH will stir you to take action, to remain vigilant, and Pray Until Something Happens.

In this new and beautiful edition designed specifically for women, missionary Sarah Young brings uniquely inspired devotions for every day of the year. After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until people all over the world were using her messages. These devotions are written from Jesus' point of view, thus the title Jesus Calling. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure. This new edition, created in a lovely package for women, will help more readers discover the incredible peace found in the presence of Jesus.

Originally published as Fly a Little Higher and now updated and revised to coincide with the film release of Clouds, Laura Sobiech tells the amazing, true story behind the song and the movie. “Okay, Lord, you can have him. But if he must die, I want it to be for something big. I want someone’s life to be changed forever.” This is what Laura Sobiech prayed when she found out her seventeen-year-old son had only one year to live. With this desperate prayer, she released her son to God’s will. At that point, Zach Sobiech was just another teenager battling cancer. When his mother told him to think about writing goodbye letters to family and friends, he decided instead to write songs. One of them, “Clouds,” captured hearts and changed lives, making him an international sensation. This story is a testament to what can happen when you live as if each day might be your last. It’s a story about the human spirit. It shows how God used a dying boy from a small town in Minnesota to touch the hearts of millions—including top executives in the entertainment industry, major music artists, news anchors, talk show hosts, actors, priests and pastors, and schoolchildren across the globe. And above all, it’s an example of the amazing things that happen when someone shares the most precious thing he has—himself. “I’m not a musician; I’m just a filmmaker, and my prayer is that you get an opportunity—both through the reading of this beautiful book and the watching of our film based on it—to experience what I will fail to put into words: the magic and inspiration of Zachary David Sobiech.” —Justin Baldoni, filmmaker and director of Clouds Children will be reminded that God shows His love in a lot of ways including rainbows, flowers, and special friends! These adorable illustrations and sweet rhymes are perfect for showing little ones the importance of saying “I love you!” and thanking God for His love. The art by Frank Endersby will be a favorite for kids and parents alike. Families will want to leave room on their bookshelves for other titles in the Time to Pray series, including A Pumpkin Prayer.

Even a little prayer can have a big message. Little Prayers for Little Kids follows a day in the life of a child...from waking up in the morning to a goodnight prayer at bedtime: Thank You, God, for my cozy bed, And the pillow for my head. Thank You for my blanket too, So I can rest when day is through. I'll sleep until the morning light, But now it's time to say goodnight. Bestselling author Stormie Omartian recently welcomed a granddaughter into her life, and these prayers are fresh from her heart. You and your special little one will love reading this adorable book of prayers together. Beautiful four-color illustrations go with each sweet thought.

Learn the revolutionary way to talk with God! Like millions of Christians, Dr. Larry Crabb has always considered his prayer life a weakness – "dull, intense only in crisis, occasionally meaningful and passionate

but mostly lifelessly routine." But for everyone who struggles to pray in a way that matters, who is bored with prayer and doesn't know where else to turn, this groundbreaking book whispers of hope for change. Something new and real and deep started happening in him, Crabb says, when he began practicing the four steps of what he calls the PAPA prayer – a revolutionary conversational approach to talking with and enjoying God. As this fellow seeker shares his journey and education in the mysteries of prayer, he guides us to see ourselves and God in a different light . . . which will alter the way we talk – and listen – to Him.

Are you weary from your challenges, wounded by your battles, or worried your world is spinning out of control? Have the struggles pilfered the life out of your life? If so, the book of Esther brings welcome news: Relief will come! Queen Esther concealed her Jewish identity. As far as anyone knew, she was pure Persian. But then came the royal decree that would annihilate her people. She had to make some tough choices. Would she remain silent or would she speak up? Would she blend in or would she stand out? Esther could have refused. She could have cowered in fear. But she spoke up. She stood out. And God used her to save the nation. It's not hyperbole to say that her courage changed the course of history. Nor is it an overstatement to say that God can do the same with you. Like Esther, you may be staring down a seemingly impossible situation. And what's true for Esther is true for you: deliverance will come. God will have his victory. He will rescue his people. He will right the wrongs of this world. The question is not, Will God prevail? The question is, Will you be part of the team? In You Were Made for This Moment, pastor and New York Times bestselling author Max Lucado will help you reclaim your eternal identity as a citizen of heaven, put your hope in the God of grand reversals, cultivate courage for your challenging times, and discover your role in God's story. You don't need to become undone by tough times, you can become unleashed by our triumphant God. You, friend, were made for this moment.

Faith without obedience is dead. Prayer without action is wasted. What would your life look like if you stopped praying about God's will and just did it instead? How would your church look if it spent as much time serving as it spent praying about serving? The truth is, sometimes when you think you're praying, you're really just procrastinating. And when you think you're asking that God's will be done, you're really telling him no. In times that call for action, prayer can be disobedience in disguise. Wasted Prayer uncovers the ways we use prayer to dodge responsibility for the work God has assigned us. Complete with punch-in-the-gut biblical exposition that will help get you off your knees—and out of your chair—Wasted Prayer will provide you with the jolt you need to start living like a Christian, instead of just praying like one. It's time to stop praying and start doing.
