

Jack Hobbs

Offers recollections of life as a gunner in World War Two that sees our hero into battle in North Africa - eventually. In the essays collected here, amateurism, both as ideology and practice, is subject to critical and unsentimental scrutiny, effectively challenging the dominant narrative of more conventional histories of British sport. Designed for students, this volume explores the expression and construction of art, and discusses the creative and technical processes of art.

I lived the 'life of Riley' in London at an early age. It was a preposterously wonderful time of fun, glamour, career excitement and excess. It finally ended. I later got a spot of cancer. Life goes on and I'm still a ridiculously lucky girl from Oz.

In her gripping personal memoir, *A Girl From Oz*, Australian journalist and filmmaker **Lyndall Hobbs** reveals tales from the Hollywood highlife. In fact, she has seen and done just about everything: tangled with Cambodian pirates for a scoop, grappled with Hollywood sexism as a feature director, wooed acting royalty, raised two children on her own and survived cancer in the unforgiving American medical system.

In this heartfelt, hilarious and self-deprecating memoir, Lyndall recounts the thrills and spills of her unbelievable, star-studded life story: from charming Australian television audiences and becoming the UK's youngest television journalist, to making her first Hollywood feature film and rubbing shoulders with London and LA's A-list.

Lyndall Hobbs is an Australian writer, filmmaker and interior designer. Born in Melbourne in 1952, she wrote regular columns in *Go-Set* and *Newsday* at the age of seventeen. She began her television career at GTV Nine News and *A Current Affair* in Australia, and after moving to London worked as a reporter and presenter for ITN's *First Report* and Thames TV's *Today* show. Her short films *Dead on Time* (written by Richard Curtis and starring Rowan Atkinson) and *Hobbs's Choice* led to a directing career in the United States, where she shot music videos for artists such as Chaka Khan, as well as Saturday Night Live shorts and a feature film, *Back to the Beach*, which received two thumbs up from Siskel and Ebert. Lyndall has two children, Lola and Nick, and lives in Los Angeles.

The sheep closed in around him like a big, woolly blanket. The puppy had never been so scared or so excited in his life. Soon he was racing, feinting, dodging – learning what it means to be one of the proud breed of Border collies, the finest shepherders in the world. Then, almost overnight, his life is turned upside down. He finds himself in a series of strange places, with no sheep, his family gone. With nothing but the courage he was born with and a dream, he searches for the life he once knew, gathering names and adventures as he goes. For a short time, he's called Blackie. To the Goat Man, he's Shep. To Hollerin, he's Spot. There's one name that threatens to forever haunt him – Sparky, the name Billy the circus man calls him when he reaches for the whip. But there's another name that he is given, one that finally makes him feel at home . . . Known for her rich character development, the author brings all her skills to delving into the mind of a clever, philosophical, and hopeful dog searching for a home.

A highly original study of newspaper cartoons throughout India's history and culture, and their significance for the world today.

Everyone has always loved to rank sportsmen and which cricket fan hasn't enjoyed picking their own teams and playing imaginary matches, using dice, cards, table-top games or computers? "You can't compare eras" is an oft-quoted phrase but it certainly hasn't stopped countless generations of fans sitting around the school playground, dinner table, pub garden or international match debating who were the greatest players of all time. In this book players are ranked, split according to their roles. Openers, middle-order batsmen, all-rounders, wicket-keepers, fast bowlers and slow bowlers are all selected in the same proportions in which they make up a team. In a game awash with numbers, every cricket fan knows what 99.94 and 501 relate to. Some of the numbers explored here transcend the game itself and have become part of cricket's long historical narrative. I guarantee your list would be different, so let the debates begin!

Milligan's War is the one-volume selected edition of Spike Milligan's war memoirs, published to celebrate the seventieth birthday of Britain's funniest old soldier on 16 April 1988. Adolf Hitler, Monty, Mussolini, Rommel (who?) - all played their modest parts in the Second World War and the shaping of human destiny, but we all know where the real action was... Milligan's war documents in words and pictures. The most scurrilous, bizarre and certainly the most hilarious military career embarked upon by any bombardier of the 56th heavy regiment, royal artillery, ever. 'The most irreverent, hilarious book about the war that I have ever read' Sunday Express 'Desperately funny, vivid, vulgar' Sunday Times 'Milligan is the Great God to all of us' John Cleese 'The Godfather of Alternative Comedy' Eddie Izzard 'That absolutely glorious way of looking at things differently. A great man' Stephen Fry Spike Milligan was one of the greatest and most influential comedians of the twentieth century. Born in India in 1918, he served in the Royal Artillery during WWII in North Africa and Italy. At the end of the war, he forged a career as a jazz musician, sketch-show writer and performer, before joining

forces with Peter Sellers and Harry Secombe to form the legendary Goon Show. Until his death in 2002, he had success as on stage and screen and as the author of over eighty books of fiction, memoir, poetry, plays, cartoons and children's stories.

Englishman David Hobbs--'Hobbo' to his friends and fans--is one of motor racing's most remarkable all-rounders. In a 31-year driving career he raced in almost every imaginable category: endurance sports racers, touring cars, Formula 1, Formula 5000, Indycars, IMSA, Trans-Am, Can-Am and even NASCAR--he has done the lot. And on top of that he has been a television commentator in America for nearly 40 years, bringing wit and wisdom to the screen, latterly as part of NBC's Formula 1 team. Now, at last, this very popular racer has put down all his experiences in this highly readable memoir that will be welcomed by racing enthusiasts on both sides of the Atlantic.

In *The Immortals of English Cricket*, Bill Ricquier tells the cricketing life stories of eleven of England's greatest (male) cricketers.

High Lean Country captures the rich history and haunting character of the New England region of northern New South Wales. The authors explore how memory - of land, of family, of patterns of life on the other side of the world - has influenced the identity of New England. They also consider how the high country itself has shaped its people and their sense of regional uniqueness. In doing so, this book sets a new direction for understanding Australia as a whole. Weaving together the histories of human settlement, economic, social and cultural development, as well as interactions with the environment, *High Lean Country* shows how colonial settlers strived for decades to literally create a new England. It traces the story of the graduates of Oxford and Cambridge who turned their hands to sheep husbandry and developed a squattocracy, the establishment of schools and other institutions, and the cultivation of traditional arts. It also examines the early colonial bushranging period, and a history of not always friendly relations between white settlers and the local Aboriginal population. A project of the Heritage Futures Research Centre at the University of New England, *High Lean Country* is a fascinating study of this distinctive Australian high country.

Examines Plato's critique of the notions and embodiments of manliness prevalent in his culture.

'If you enjoyed *I AM PILGRIM*, you'll love this' *Guardian* The perfect blend of a Lee Child novel and a Quentin Tarantino film, this is the latest from the bestselling author of *GHOSTMAN*. I work alone. I may be the best thief in the world but no one will ever know a single thing about me. Well, almost no one. A lifetime ago I had a mentor, Angela. She taught me how to be a criminal, how to run a heist. And now, six years after she vanished and left me high and dry on a job in Kuala Lumpur, she's sent me an SOS. Or at least I think it's her. If it is, then I've got to go. I owe her that much. So soon I'll be on a plane to Macau, either to see a friend or walk into a trap. Or both. But that's the way I like it. Sometimes the only

thing that makes me happy is risking my life. Time to go.

A set of 20 overhead transparencies. It is suitable for group analysis or use to augment lessons and assessment activities.

The astonishing feats of Sir Jack Hobbs continue to resonate more than a century after he first played Test cricket. During his long career that stretched from the age of W.G. Grace to the era of Don Bradman, he scored more first-class runs and centuries than any player. Even today, he remains England's greatest run maker in Ashes Tests. He changed the art of batting with his elegant style, and transformed the status of professional cricketers through the strength of his personality. Born into poverty, Hobbs rose to have a central role in some of Test cricket's most explosive series, but not without controversy and dispute. At last here is a comprehensive biography of Hobbs, giving us fresh insights into every aspect of his story.

"Gold!" Jason shouted at the top of his lungs. "Read all about it! Gold discovered in Alaska!" Within hours of hearing the thrilling news, fifteen-year-old Jason Hawthorn jumps a train for Seattle, stow away on a ship bound for the goldfields, and joins thousands of fellow prospectors attempting the difficult journey to the Klondike. The Dead Horse Trail, the infamous Chilkott Pass, and a five-hundred-mile trip by canoe down the Yukon River lie ahead. With help from a young writer named Jack London, Jason and his dog face moose, bears, and the terrors of a subarctic winter in this bone-chilling survival story. 00-01 Tayshas High School Reading List, 01-02 Young Hoosier Book Award Masterlist (Gr 4-6), 01-02 Young Hoosier Book Award Masterlist (Gr 6-8), 01-02 William Allen White Children's Book Award Masterlist, and 01 Heartland Award for Excellence in YA Lit Finalist Notable Children's Trade Books in the Field of Social Studies 2000, National Council for SS & Child. Book Council, 2000 Best Books for Young Adults (ALA), and 2000 Quick Picks for Young Adults (Recomm. Books for Reluctant Young Readers)

Offering a series of portraits of some of the greatest cricketers in the game's history, this book also provides an overview of the state of cricket at the time of writing in 1958. The author was a Test batsman who became a prolific writer on the sport.

The Westbourne Fair is coming to town and it is Jack's favorite moment of the year. But when he gets into trouble at school his parents say that he can't go to the Fair. Jack decides to go to the Fair anyway and he learns that there are more important things in life than having fun.

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and

technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the care of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend-ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

What's in a name? Juliet doubted its importance in the matter of her Romeo, but we know what happened to them. Names are important. And first names particularly. People react to them even before meeting their bearers. Parents agonise over their choice. Children agonise over it, too. Small wonder when you remember the challenging time laid on by his dad for the boy named Sue. Jack, though. Always popular, it has become one of the most common names

throughout the English-speaking world over the last 25 years, topping lists in most countries. But how much do all these new Jacks know about their name? Charles Nevin has explored history, folklore, legend and fiction to emerge with an enthralling list and lexicon of the world's most remarkable Jacks, their potted profiles packed with interesting facts and gripping anecdotes. How did Jack the Ripper get his name? What was the secret of the success of Jack 'Snuffy' Tracy, music-hall trombonist and husband of Britain's most renowned stripper, Phyllis Dixey? How did Jack Daniel, of bourbon fame, die? All the answers are contained in *The Book of Jacks*, a remarkable collection of larger-than-life hell-raisers, handfuls, heroes and relishable eccentrics.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 61. Chapters: W. G. Grace, Wilfred Rhodes, Jack Hobbs, George Hirst, Martin Hawke, 7th Baron Hawke, Hesketh Hesketh-Prichard, C. B. Fry, Johnny Briggs, Gilbert Jessop, Frank Woolley, Ernest Tyldesley, Alan Geoffrey Hotham, Michael Falcon. Excerpt: William Gilbert ("WG") Grace, MRCS, LRCP (born 18 July 1848 at Downend, near Bristol; died 23 October 1915 at Mottingham, Kent) was an English amateur cricketer who is widely acknowledged as one of the greatest players of all time, having a special significance in terms of his importance to the development of the sport. Universally known as "WG," his initials being a sobriquet, he played first-class cricket for a record-equalling 44 seasons, from 1865 to 1908, during which he captained England, Gloucestershire County Cricket Club, the Gentlemen, MCC, the United South of England Eleven and several other teams. He came from a cricketing family in which one of his elder brothers was EM Grace and his younger brother was Fred Grace; their joint appearance for England in 1880 was the first time three brothers played together in Test cricket. Right-handed as both batsman and bowler, Grace dominated the sport during his career and left, through his technical innovations and enormous influence, a lasting legacy. An outstanding all-rounder, he excelled at all the essential skills of batting, bowling and fielding, but it is for his batting that he is most renowned as he is held to have invented modern batsmanship. An opening batsman, he was particularly noted for his mastery of all strokes and his level of expertise was said by contemporary reviewers to be unique. He generally captained the teams he played for at all levels because of his skill and tactical acumen. Grace was a medical practitioner who qualified in 1879. Because of his profession, he was nominally an amateur cricketer but he is...

Did you know that cricket is the second most popular sport in the world and has been an established team sport for centuries, with more than 100 cricket-playing nations now recognised by the International Cricket Council? No doubt those questions haven't left cricket aficionados remotely stumped, but be prepared to be caught out by the 1,000 leg-breaking quiz questions in this book. Your innings will require you to recall facts and figures relating to every possible aspect of the game of cricket from players to umpires and national to international matches, together with all kinds of

trivia, so you could very easily find yourself in a real spin and may need to enlist the help of friends to bail you out before a sneaky Chinaman bowls you over, slips you up or reduces you to a pile of ashes. Whether you find yourself top of the batting order or limping with a square leg, this book, with a fitting foreword by Dickie Bird, contains a wealth of knowledge about the sport that is guaranteed to enthrall all cricket fans, and questions that will stimulate fond memories and friendly debates for many an entertaining hour.

'Fast, hard and knowing: this is an amazing debut full of intrigue, tradecraft and suspense. Read it immediately!' Lee Child 'It keeps you hooked until the very last page.' Sunday Telegraph _____ I make things disappear. It's what I do. This time I'm tidying up the loose ends after a casino heist gone bad. The loose ends being a million cash. But I only have 48 hours, and there's a guy out there who wants my head in a bag. He'll have to find me first. They don't call me the Ghostman for nothing... _____ What readers are saying: ***** 'Fast-paced and exciting, I read it from cover to cover in a couple of days' ***** 'Highly imaginative. A real page turner' ***** 'A thriller that grips from start to finish'

These authors believe that basic literacy in art is indispensable to education. Basic literacy is the ability to understand art concepts in addition to facts and technical skills, and apply these concepts with intelligence and discrimination in both studio art and art criticism.

Looking at the inter-war period, this work explores the relationship between cricket and English social and cultural values. Jack has finally found a home and a purpose on a farm, where he keeps a flock of sheep safe from coyotes and helps train young pups to do the same. But when two sheep disappear in broad daylight, Jack doesn't know what happened to them. Was it his fault? Is he just getting too old for this job? Still, he's determined not to disappoint his boy, Luke, who thinks that Jack is the smartest and fastest dog around. Then Jack and Luke discover that the animal threatening their farm is far more dangerous than any coyote: it's a rabid wolf. Jack knows that he must gather the courage and strength to protect the ones he loves most—but can an old dog learn new tricks?

Top 5 England Cricket Players Biography And Cricket HistoryIt has been more than 140 years since England began their journey in international cricket. They have played a whopping 1783 matches across all three formats of the game. Only Australia (with 1802 games) have made more appearances. Grouping Tests, ODIs and T20Is together, as many as 728 players have represented England at the international level. It is comfortably the most among all countries even as their traditional rivals come a distant second by virtue of giving 507 players to the sport. In order to normalise numbers and peer opinions across different eras, Tests are accorded more importance than the limited-overs formats while ranking the England legends. The ability to shift the momentum of the game as well as capacity to perform against the best in the business are given higher value. Defining performances in the Ashes series as well as game-changing contributions in ICC tournaments (for players of recent times) are

considered to hold greater significance. Top 5 England Cricket Players Biography England Cricket Players Biography Sir Ian Botham Sir Jack Hobbs Sydney Barnes Kevin Pietersen James Anderson

The Real Jeeves tells the story of a young cricketer whose glorious life was snuffed out, but whose name will live forever. Plucked from country-house cricket, all-rounder Percy Jeeves was to outshine the Golden Age's greats over two seasons with Warwickshire, clean bowling Jack Hobbs, hitting Wilfred Rhodes for six, and outclassing England captain Plum Warner. In September 1914, Jeeves bowled Warwickshire to victory over champions Surrey. It was his 50th first-class match—and his last. The Real Jeeves traces Percy's life from idyllic childhood via county cricket into the nightmare of war. Excerpts from battalion diaries detail the horrors of the Western Front, and ultimately his demise on the Somme. Yet Percy Jeeves' name lived on thanks to P. G. Wodehouse, who saw him play at Cheltenham in 1913 and was so impressed he noted the name for a character who shared the modest Yorkshireman's immaculate conduct and appearance.
