The manuscript is at least 1,450 years old, possibly dating to the first century. unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, *The Lost Gospel* reveals secrets that have been hiding in plain sight for millennia.
