In recent years deliverance ministry has become increasingly difficult. Even the most seasoned ministers struggle to locate and expel demons. Individuals think they're free from demonic bondage only to be blindsided by another oppressive force. But for New York pastor Alexander Pagani, one experience changed everything. He realized how demons lodge themselves in hidden areas of our lives. First, a demon can quite literally reside in an area of the body. Second, demons can live deep in the soul and remain undetected. Deliverance is like a labyrinth with trap doors, backward stairs, and secret rooms. In *The Secrets to Deliverance* Pagani shares biblical strategies and his own experiences for evicting the demons in the "rooms" of your soul and body. Featuring prayers and declarations, this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you. Would you like to learn to pray like a medieval Christian? In *Mary and the Art of Prayer*, Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin. More than just a work of comprehensive historical scholarship, the book asks readers to immerse themselves in the experience of believing in and praying to Mary. *Mary and the Art of Prayer* crosses the boundaries that modern scholars typically place between observation and experience, between the world of provable facts and the world of imagination, suggesting what it would have been like for

medieval Christians to encounter Mary in prayer. *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or “Little Office” of the Virgin. It then guides readers in the practice of saying this Office, including its invitatory (Ave Maria), antiphons, psalms, lessons, and prayers. The book works on several levels at once. It provides a new methodology for thinking about devotion and prayer; a new appreciation of the scope of and audience for the Hours of the Virgin; a new understanding of how Mary functions theologically and devotionally; and a new reading of sources not previously taken into account. A courageous and moving work, it will transform our ideas of what scholarship is and what it can accomplish.

The presence of God is meant to be more than just an occasional event during Sunday morning Worship---you are meant to live in God's presence! In *The Lost Art of Practicing His Presence*, James W. Goll uncovers ancient and nearly forgotten keys to deeper intimacy with Christ Jesus while revealing the ease of working with Christ instead of for Him. Through this book you will rediscover the lost precepts of Biblical meditation, contemplative prayer, and waiting on the Lord and learn how to apply them in your own life. Most importantly, you will gain inspiration for your own intimate walk and the courage to spread the fire His presence to everyone around you! *The Lost Art of Practicing His Presence* also includes a modern-language translation of *The Practice of the Presence of God* by Brother Lawrence. There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our

lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

This is the fourth book in this series that began with an in-depth look at how God views details, communicates with this world, and decides what process to use. Of course this series of books looked at aspects recorded in scripture about the Tabernacle. How the materials were collected, specific design details, who did the work, and how the Tabernacle was constructed. Much of that information is found in dozens, maybe hundreds of other books about the Tabernacle. But there are details setting this book apart from every other book written about the Tabernacle. This book takes a verse by verse, story by story, chapter by chapter look at the Tabernacle. In other words, this book presents a picture of the Tabernacle from God's point of view. Which the beginning of this series pointed out, is much different than any human perspective.

Dean explores how God reveals the name of Jesus to His people one piece at a time, and then shows what those names mean for our lives.

Origen was one of the most influential pre-Nicene church fathers, whose exegetical method shaped much of subsequent interpretation of the Old Testament. Some of his theological speculations were condemned in the 6th century, but his influence as a Christian scholar and Old Testament exegete remain undiminished. This book offers a fresh, contemporary translation of Origen's 28 homilies on the book of Numbers.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

They have... books with these terrible, awe-inspiring Names... they know that the use of these mysterious Names, without due and careful preparation, brings with it calamity and premature death. -from the introduction How much ancient wisdom was lost in the medieval years! here laments Moses Gaster, one of the most prominent Jewish theologians and folklorists of the late 19th century. In 1896, he translated a fragmentary relic of Gnostic literature, a manuscript concerned with the many secret names of God believed by Kabbalists to wield enormous magical power, but in the discussion that here precedes the translation, Gaster acknowledges that this document only hints at the texts that may be lost forever. It remains a tantalizing peek into archaic occult mysteries. Jewish scholar MOSES GASTER (1856-1939) was born in Romania but emigrated to England, where he lectured at Oxford University. His wrote numerous books of theology, folklore, history, and literature, including

In this 2006 text, Daniel M. Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27:51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism. Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew. He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing, in part, end-time images drawn from Ezekiel 37. Moreover, when the veil is torn Matthew depicts the cessation of its function, articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies (as in Hebrews), but in trademark Matthean Emmanuel Christology: 'God with us'. This underscores the significance of Jesus' atoning death in the first gospel.

Doug was featured in the promotion for the movie, War Room, and in the post-movie Bible study series, The Battle Plan for Prayer, featuring the Kendrick Brothers. He was inspired to share his own knowledge of the importance of Prayer Closets. In some Jewish synagogues you find these words inscribed on the wall, "a prayer without the heart, is like a body without a soul." That is a good line to remember for the wall of any prayer room. What we seek is more than a place, more than mere words or even a disciplined, noble routine. It is more than the fact that we pray daily or the function of prayer and its benefits - it is relationship that, to be transforming, has to be centered in the heart. Prayer is not something we do, it is someone we are with. And that needs a place!

these devotional thoughts contain a wealth of Murray's teachings, written out of his mature experience in Christ. My first book, *Jesus Christ Is My God*, explains that in this world, we are not alone. Your family may abandon you, your husband or wife or boyfriend or girlfriend may forsake you, but Jesus Christ will never let you go. Even on a hospital bed, he will be there with you." My second book, *Spiritual Development*, is about how you can develop both spiritually and physically. The book discusses all sixteen chapters of the book of Romans, especially as it connects to your life today. The book also discusses the book of Philemon. Those two books analyse biblical passages from Jewish and Christian versions of the Holy Book. I have a keen eye for etymology and offer finely detailed explanations of many of the original Hebrew and Greek terms in the Bible. My third book, *Christian Philosophy: Understanding Racial Oppression*, discusses Christian philosophy and the ideology of colonisation. The book discusses many Christian issues, including creation and how this world functions, and reveals many top secrets. The book was written with my understanding of Christian philosophy in this modern time. The book does not reveal private secrets but exposes some important things. This book, *How to Pray: The 12 Top Secrets of Prayer and Concentration*, can help in good prayer orientation. It develops the way that we think of prayer. I discuss the prayer in terms of concentration - how people can start their prayers and how the prayers should end. In today's world, many issues need to be prayed about before making decisions. Sometimes people make decisions without consulting God, and many decisions and laws fail due to this bad orientation.

Tap into the supernatural realm, where you will find love, peace, contentment, and the solution to every problem you face-if you will answer the call to pray.

How can we find out the truth hidden in the Tabernacle? Only by knowing the gospel of the water and the Spirit, the real substance of the Tabernacle, can we correctly understand and know the answer to this question. In fact, the blue, purple, and scarlet thread and the fine woven linen manifested in the gate of the Tabernacle's court show us the works of Jesus Christ in the New Testament's time that have saved the mankind. In this way, the Old Testament's Word of the Tabernacle and the Word of the New Testament are closely and definitely related to each other, like fine woven linen. But, unfortunately, this truth has been hidden for a long time to every truth seeker in Christianity. Coming to this earth, Jesus Christ was baptized by John and shed His blood on the Cross. Without understanding and believing in the gospel of the water and the Spirit, none of us can ever find out the truth revealed in the Tabernacle. We must now learn this truth of the Tabernacle and believe in it. We all need to realize and believe in the truth manifested in the blue, purple, and scarlet thread and the fine woven linen of the gate of the Tabernacle's court.
