This new edition of Penn's most absorbing works renders in clear modern English the thoughts of this theologically acute, well read, and imaginative 17th-century writer.

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

Matt Johnson had a life he was happy enough with. Could he learn to be happy with his death as well? This zombie story is written from his point of view-- from normal, every-day security guard, to brain-eating, mindless zombie.

After the end of the Civil War, former rivals, John Demsond and Jason Alexander, team up to help Jason's father, John T. Alexander, a.k.a. the Cattle King, bring thousands of longhorn cattle out of Texas to feed the hungry people in Chicago and New York. Demsond finds himself embroiled in a web of conflicts and killings that threaten to constrict the entire nation's recovery.

Mysterious deaths, likened to those of an earlier plague that ravaged Europe, destroy friendships and fortunes, and the country slips into the devastating Panic of 1873.

A tantalizing blend of fact and fiction, J.D. Proffitt's second novel is a sequel to his first story titled

"Manchester Bluff: A Civil War Novel." Both books unveil

elements of the past, long ago forgotten, but relevant today. J.D. Proffitt is an assistant professor at Illinois College in Jacksonville, Illinois - his second career following many years in cellular telephone engineering management. He was raised in the small town of Alexander, Illinois, a location that plays a prominent role in his second novel. For more information about J.D. Lunchtime on a Saturday, 1944: the Woolworths on Bexford High Street in southeast London receives a delivery of aluminum saucepans. A crowd gathers to see the first new metal in ages--after all, everything's been melted down for the war effort. An instant later, the crowd is gone; incinerated. Among the shoppers were five young children. Who were they? What futures did they lose? This brilliantly constructed novel lets an alternative reel of time run, imagining the life arcs of these five souls as they live through the extraordinary, unimaginable changes of the bustling immensity of twentieth-century London. Their intimate everyday dramas, as sons and daughters, spouses, parents, grandparents; as the separated, the remarried, the bereaved. Through decades of social, sexual, and technological transformation, as bus conductors and landlords, as swindlers and teachers, patients and inmates. Days of personal triumphs, disasters; of second chances and redemption.

intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides – while everything is changing in her life – that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her – frustrated and upset – simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.

Originally published in 1979 - The Uninvited is the true story of an ordinary family living in South Wales who found themselves entangled in a series of unearthly encounters in 1977. At first the manifestations were minor. UFOs were sighted in the area, huge burnt patches were found in the fields, television sets and cars blew all of their wiring...but before long the Coombs family was visited by weird lights, huge white figures and a glowing disembodied hand. Their lives were disrupted and they were terrified by something

unidentifiable and unimaginable. They were a focus for The Uninvited. The story you are about to read is true, though you will doubt it. With good reason. This is the story of an ordinary family caught up in the extraordinary, for whom the impossible became possible, the unbelievable became believable, and science fiction became science fact. You will find no explanations for the events reconstructed here, for there are none. What took place was as beyond explanation as it may seem unbelievable. It still is...THE UNINVITED is the story of an ordinary family living in South Wales who found themselves entangled in a series of unearthly encounters in 1977. Dubbed "The British Roswell" and "The Welsh Triangle" by many publications, the story of the events surrounding the Coombs family and Ripperston Farmhouse live on to this very day. In 1975, Dannon Brinkley was struck and killed by lightning. When he awoke in a morgue twenty-eight minutes later, everything was forever changed. During the next twenty years, Brinkley had not one, but two more near-death experiences. Each time, he visited the other side and received valuable lessons and spiritual knowledge, which he incorporated into his daily life. Now, in Secrets of the Light, he shares the lessons he learned in the afterlife so we, too, can fulfil our true purpose in life. Brinkley outlines the 'Four-Fold Path to Power' - Love, Choice, Belief, and Prayer - that will empower you to follow your destiny. He then unveils the Seven Truths from the afterlife and how to use them to enhance health, happiness, and prosperity. We also learn how to perform a 'daily life review' - a quick assessment of

The Classic tale of a little girl that discovers fairies and other mythical creatures for the first time.

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. How Peak Spiritual Experiences Transform Lives Today  
Dr. Yvonne Kason's life was touched by five Near-Death experiences (NDEs), the most recent in 2003. Her dramatic Near-Death Experience in a 1979 plane crash propelled her as a young medical doctor to research and counsel people with diverse types of peak spiritual experiences. In 1994, she coined the now widely used phrase "Spiritually Transformative Experiences" (STEs). These include Near-Death Experiences, mystical experiences, spiritual energy or kundalini awakenings, diverse psychic experiences, and inspired creativity. Touched by the Light is a synthesis of forty years of Dr. Kason's research on STEs and their profound after-effects on body, mind, and spirit. Filled with fascinating case studies, Touched By the Light is inspiring to all, as well as a practical guide for those experiencing STEs and their counsellors.
