

Secret Societies A Sinister Agenda Exposed

An addictive literary puzzle that introduces an unforgettable young heroine plunged into the twisted world of a secret society with a dark agenda. Lee Cuddy is seventeen years old and on the run, alone on the streets of Philadelphia. A fugitive with no money, no home and nowhere to go, Lee finds refuge in a deserted building known as the Crystal Castle. But the Castle conceals a sinister agenda, one master-minded by a society of fanatical men set on decoding a series of powerful secrets hidden in plain sight. And they believe Lee holds the key to it all. Aided by Tomi, a mysterious young hacker, Lee escapes into the unmapped corners of the city. But the deeper she goes underground, the more tightly she finds herself bound in the strange web of the men she's trying to elude. Aware that the lives of those she cares for are in increasing danger, it is only when Lee steps from the shadows to confront who is chasing her that she discovers what they're really after, and why. Part literary detective novel, part art history, part conspiracy thriller, *The Readymade Thief* introduces a singular, indomitable heroine and the arrival of a spellbinding and original new talent in fiction.

Argues that secret societies are behind the major events of twentieth century and seeks to expose these hidden groups and their agendas.

We are living in a time of unprecedented distrust in America... Faith in the government is at an all-time low, and political groups on both sides of the aisle are able to tout preposterous conspiracy theories as gospel, without much opposition. "Fake news" is the order of the day. This book is about a man to whom all of it points, the greatest conspiracist of this generation and a man you may not have heard of. A former U.S. naval intelligence worker, Milton William Cooper published his manifesto *Behold a Pale Horse* in 1991. Since then it has gone on to sell hundreds of thousands of copies, becoming the number-one bestseller in the American prison system. According to *Behold a Pale Horse*, JFK was assassinated—because he was about to reveal that extraterrestrials were about to take over the earth—by his driver, an alien himself; AIDS is a government conspiracy to decrease the population of blacks, Hispanics, and homosexuals; and the Illuminati are secretly involved with the U.S. government to manage relationships with extraterrestrials. Cooper died in a shootout with Apache County police in 2001, one month after September 11, in the year in which he had predicted catastrophe. In *Pale Horse Rider*, journalist Mark Jacobson not only tells the story of Cooper's fascinating life but also provides the social and political context for American paranoia. Indeed, with the present NSA situation and countless other shadowy government dealings often in the news, aren't we right to suspect that things may not be as they seem?

Want to learn the secrets of secret societies? Have you or a family member been trapped in a secret society? Are secret societies really dangerous or just a group of like-minded people trying to accomplish something important for the betterment of the world? In this book, *Notorious Secret Societies*, you'll everything you want and need to know! Things aren't always what they seem to be. Looks can be deceiving and just because you don't see something doesn't mean it doesn't exist. Take for example the air we breathe. If seeing is believing, then it means oxygen, as we know it, doesn't exist. But it does exist and the fact that we're alive is living proof of such. Or how about carbon monoxide? It's not something that we can see but many people all over the world are killed by it. Because they don't see it, they unknowingly breathe it and fall victim to its poisonous power. Secrecy can be a lethal weapon! And so it is with *The Worlds' Most Notorious Secret Societies*. Their power and ability to do what they want is highly contingent on being able to keep their supposed secret agendas secret. The day they're purported sinister agendas get exposed is the day they fail to achieve their grand agendas. That's why more than ever, it's important to know who these secret societies are and the reason why they're very controversial. In this book, you'll discover secrets from some of the world's most notorious secret societies. The Free and Accepted Masons (Freemasons) The

"You know you're reading a good thriller when you start to cast it for the movie before you've even finished." Eithne Hannigan, BOOK REVIEWS, CONNEMARA LIFE magazine, Autumn 2002 You know you're reading a good thriller when you start to cast it for the movie before you've even finished. The plot is as complex as a Grisham novel, with twists and turns that kept me reading all night. It deals with corruption in high places and sinister secret societies and collusion between those who want more power. The characters are exceptionally well drawn and the dialogue fairly whips along. With the action moving from the elegant rooms of the White House to shootings in New York bars, car chases and mysterious cult rituals, the story catapults the reader around the United States with confidence. As the plot thickens - as they say! - paranoia battles with genuine anxiety about the U.S. government under threat from those who have a blackmailing agenda. All the ingredients for a good thriller are here. Owen MacDara is an ex-medical intern who served in Korea, now a millionaire business consultant. His previous history in the army leads him to take up a personal vendetta for the deaths - or are they murders? - of several of his former army buddies. His soulmate is the beautiful daughter of the Chairman of the Joint Chiefs of Staff upon whom MacDara had operated, in strictest confidentiality, in Korea. The subplots interweave as the protagonists' lives become affected by seemingly unrelated killings. Only MacDara begins to sense a more wide-ranging conspiracy. The details about the internal workings of the U.S. President's office and the machinations of those 'who would be king' are neatly plotted, with enough kidnappings, torture and sex to satisfy any connoisseur of the thriller genre. It's pacy and exciting and filmic in its descriptions, and is an impressive first novel. Definitely a gripping read for these long winter evenings Eithne Hannigan holds an M.A. (hons.) in English and Law from King's College, Cambridge. She worked as an actor, musician and writer with Liverpool Everyman, Liverpool Playhouse, National Theatre and Donmar Warehouse in London. She then joined the BBC to present Playschool and, from 1987 to 1990, she presented her own show, Dot. Today she tours Ireland with her own band, Some Like It Hot. She has played at all the prestigious Jazz and Blues festivals both in Ireland and Britain, including Edinburgh and Glastonbury. Television appearances include The Late Late Show and Nighthawks.

***** "Here comes Pat Mullan with a thriller that will do exactly that...thrill you!" Ken Bruen Just when I'd lost faith in thrillers and reckoned I'd exhausted the genre, even Jack Higgins seemed to have tired of the formula, along comes a humdinger of a book to revive my joy in the art of thriller writing. Somehow it seems to be accepted that this discipline is not so difficult.....whoa, is that ever a

misconception. When was the last time you were on the edge of your chair or stayed up way too late as a plot wouldn't let you go? Here is the book to satisfy all of the above. Here comes Pat Mullan with a thriller that will do exactly that...thrill you. From the amazing opening, I defy you not to swallow this in one huge gulp and pray like me that his sequel will be soon. With an absolute cracker of a hero and soaring writing, the story is mesmerising, you just can't turn the pages fast enough. Another misconception is that thrillers are not well written. Pat Mullan knocks that notion right out of the water. That he is a poet is immediately evident and when you think of that

The roots of coincidence and conspiracy in American politics, crime, and culture are investigated in this analysis that exposes new connections between religion, political conspiracy, terrorism, and occultism. Readers are provided with strange parallels between supernatural forces such as shamanism, ritual magic, and cult practices, and contemporary interrogation techniques such as those used by the CIA under the general rubric of MK-ULTRA. Not a work of speculative history, this exposé is founded on primary source material and historical documents. Fascinating details on Nixon and the "Dark Tower," the Assassin cult and more recent Islamic terrorism, and the bizarre themes that run through American history from its discovery by Columbus to the political assassinations of the 1960s are revealed. Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the worlds most powerful men.

Space expert Bara delves into the secret space program, examining the possibility that there are secret bases on the Moon, and exploring the many other rumors surrounding the military's secret projects in space. Starting with the mysterious airship flap of 1897, tracing its possible origin to a 19th century Prussian secret society, Bara posits that man has had anti-gravity technology for quite a long time. What else doesn't the public know? Bara brings to light a lot of evidence showing that there is plenty. • On June 8, 1959, a group at the Army Ballistic Missile Agency produced for the U.S. Army a report entitled Project Horizon, a "Study for the Establishment of a Lunar Military Outpost." The permanent outpost was predicted to cost \$6 billion and was to become operational in December 1966 with twelve soldiers stationed at the Moon base. Did this happen? • The Brookings Report drawn up at the inception of NASA said we could expect to find alien artifacts in our exploration of space. Did NASA and the Pentagon find evidence of alien bases on the Moon? Did the Apollo 12 astronauts deliberately damage the mission's TV cameras in order to hide their explorations of one of these bases? • Does hacker Gary Mackinnon's discovery of defense department documents identifying "non-terrestrial officers" serving in space mean that the U.S. has clandestine space platforms designed to fight a war with an alien race? And, have civilian observers here on Earth photographed these secret military space platforms? Bara explores the evidence surrounding these questions and more in this explosive book. He maintains that aside from the actual secret space program, even the public space program—NASA—has at its core a secret agenda. Bara also examines the many allegations that the government has long been clandestinely working with aliens in various covert programs.

"The Most Evil Secret Societies in History" examines fifteen of the most notorious

organisations the world has ever seen. These are; The Illuminati, an ancient association dedicated to establishing a 'New World Order'; Argentum Astrum, a black magic order formed by Aleister Crowley in 1907; The Thule Society, an Aryan brotherhood behind the Nazis; Muti Magic, practitioners of ritual murder; Ku Klux Klan, an American white supremacist cadre; The Tongz, violent Chinese society linked to organised crime; Solar Temple, international suicide sect uncovered in the 1990s; The Hashishim, a murderous Muslim sect at the time of the Crusades; The Mau Mau, a ruthless tribal society in pre-Independence Kenya; Aum Shinrikyo - Japanese terrorist survivalists; Odessa, a Nazi organisation perpetuating the vendetta against the Jews; SPK, an anarchist terrorist group active in the 1960s and 70s; The Thugees, Indian devotees of Kali, the Goddess of Death; Camorra, a clandestine Italian network with Mafia links; and The Hell Fire Club, 18th Century English aristocrats dabbling in sex and politics. Did you know? • Freemasonry's first American lodge included a young Benjamin Franklin among its members. • The Knights Templar began as impoverished warrior monks then evolved into bankers. • Groom Lake, Dreamland, Homey Airport, Paradise Ranch, The Farm, Watertown Strip, Red Square, "The Box," are all names for Area 51. An indispensable guide, *Cults, Conspiracies, and Secret Societies* connects the dots and sets the record straight on a host of greedy gurus and murderous messiahs, crepuscular cabals and suspicious coincidences. Some topics are familiar—the Kennedy assassinations, the Bilderberg Group, the Illuminati, the People's Temple and Heaven's Gate—and some surprising, like Oulipo, a select group of intellectuals who created wild formulas for creating literary masterpieces, and the Chauffeurs, an eighteenth-century society of French home invaders, who set fire to their victims' feet.

Secret Societies in one form or another have existed throughout the history of human culture. But what is their appeal? What is it that makes so-called respectable people indulge in peculiar ceremonies, dressed in fanciful costumes uttering blood-curdling oaths of loyalty with the threat of death hanging over them should they reveal the inner workings of the cult? Are these organisations simply a way for like-minded followers to get together in a convivial atmosphere for purely social reasons or is there really a dark side to their activities. Are they really trying, as some have suggested, to control world affairs for their own nefarious ends or in some cases harbour the Devil? Are the secret societies' claims that they are in the possession of great knowledge or valuable secrets also true? Are they really trying to engineer history or keep hidden that which may bring about the fall of a religion or a country? In *Secret Societies* Nick Harding describes some of the best known organisations along with some of their least known counterparts. He highlights the similarities that all these cults have - they all work to a similar pattern and that basic human psychology plays a far more important role in their continued existence and their enduring appeal than any hidden wisdom, knowledge or world-shattering secret.

An overview of how esoteric brotherhoods have shaped history • Examines the secret chronology and clandestine causes of seminal world events • Shows how secret societies feed into one another, and how they have worked together For thousands of years secret societies--guardians of ancient esoteric wisdom--have exercised a strong and often crucial influence on the destiny of nations. Though largely ignored by orthodox historians, the Freemasons, Knights Templar, and Rosicrucians affected the course of the French and American Revolutions as well as the overthrow of the medieval feudal order. Inevitably, the true ideals and esoteric practices of these societies have, at times, been perverted by self-serving individuals. The Nazis and the Bolsheviks, British security forces, the founding fathers of America, and the Vatican have all justified their actions--for good or for ill--by claiming the

mystic ideals of secret societies. Michael Howard explores these connections, tracing their effects in politics and statecraft from the time of ancient Egypt up to the present. He sheds light on the influence of secret societies on governments and in the lives of many well-known figures, including Frederick the Great, John Dee, Francis Bacon, Benjamin Franklin, Comte de Cagliostro, Helena Blavatsky, Rasputin, and Woodrow Wilson. He contends that the recent formation of the European Union was directed by an umbrella group of secret societies and reveals that though secret societies have been persecuted throughout history, they have survived and continue to operate powerfully in world affairs today.

A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamsons, and Bushes. Reviewing the evidence, documents, and connections, *The Illuminati: The Secret Society That Hijacked the World* by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. He investigates their origin as "The Ancient and Illuminated Seers of Bavaria," the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, the Protocols—or procedures—for usurping national governments and gaining world domination, the symbolism found in today's international corporate logos, Knights Templar, assassins, Skull and Bones, whistle blowers, the revolutions in France, Russia, and America, and much, much more. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to powerful people, and their place in modern America.

The roots of coincidence and conspiracy in American politics, crime, and culture are examined in this book, exposing new connections between religion, political conspiracy, and occultism. Readers are taken from ancient American civilization and the mysterious mound builder culture to the Salem witch trials, the birth of Mormonism during a ritual of ceremonial magic by Joseph Smith, Jr., and *Operations Paperclip and Bluebird*. Not a work of speculative history, this exposé is founded on primary source material and historical documents. Fascinating details are revealed, including the bizarre world of "wandering bishops" who appear throughout the Kennedy assassinations; a CIA mind control program run amok in the United States and Canada; a famous American spiritual leader who had ties to Lee Harvey Oswald in the weeks and months leading up to the assassination of President Kennedy; and the "Manson secret." We humans are obsessed with secrecy. Exclusive organizations, in which the inner workings are concealed from non-members, or the members list is kept under lock and key, are nothing new. Since civilized society began humans have been intrigued by confidentiality, and have either belonged to a secretive group or organization or, from the other side, tried to rip open these clandestine clubs. People always want to be told a secret and be part of something exclusive. In the same way, if a person finds out that they have been kept in the dark, or if a

person is excluded from joining a certain group, feelings of jealousy, anger and resentment often arise – it is hard not to want to be part of the ‘in-crowd’.

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be released to the public! The *Blue Planet Project Book* contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format

of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. THE INSIDE STORY NO ONE ELSE DARES PUBLISH! NEWS FLASH -- EAGAR, ARIZONA On November 5, William Cooper was shot to death by sheriff deputies in an exchange of gunfire, fulfilling his often-stated wish to go out in a blaze of glory. News of Cooper's death spread quickly via the Internet, as friend and foe alike posted letters and tributes describing their past, often confrontational, encounters with an individual many consider to be the most controversial man in American history. But who was Bill Cooper Was he a true patriot? A tough survivalist? Or simply a fanatic? Some knew him as a UFO "expert" (having claimed insider information on the governments actual knowledge of extraterrestrials living amongst us)...A conspiracy theorist...a former Navy Intelligence operative...and the person the President once called "the most dangerous man on American airwaves." Here is the INSIDE STORY as told by a fellow patriot and government whistle blower. COMMANDER X claims close "ties" to various branches of the government and like Cooper sees himself as a foe of the New World Order. Commander X has collected together for the first time Cooper's thoughts and finds on such subjects as: * The Illuminati. * The Kennedy Assassination. * MJ 12 and the UFO Cover-UP. * Area 51. * The Anti Christ. * The World Trade Center Disaster. * Gun Control. * The Constitution. * Skull and Bones Society. Cooper always said he acted from his "conscience" and sought to warn all Americans of the dangers of the New World Order, creeping socialism and our own brand of Nazism. Was his death accidental -- or something more SINISTER? Perhaps you can judge better after reading DEATH OF A CONSPIRACY SALESMAN!

Secret Societies: a Sinister Agenda Exposed

The economic Day of Reckoning will arrive like a thief in the night. Who among us will be ready for this earth-shattering event? Volume II of the Age of Awakening Trilogy sets the stage for the ultimate confrontation. By 2024, Federal Reserve Chairman, King James, and a group of global ultra-wealthy billionaire secret societies had solidified their grip on the global economy. Their next move was to capture the White House and to bring about the total manifestation of plutocracy in America. With the Federal Reserve System (the Fed) under their control and the Wall Street Wizards rigging and manipulating the activities in the financial markets, the ultra-wealthy elites began making preparations to initiate the greatest transference of wealth in human history. For sixteen years, money printing, successive rounds of quantitative easing (QE), tax cuts for the wealthy, and trillions of dollars of asset purchases by the Fed had sustained the massive debt, credit and asset bubbles in the West. The Day of Reckoning - the final bursting of the colossal global bubbles - is the prelude to a much more sinister agenda. What the secret societies will unveil is their master plan to implement a new modern feudalistic economic system of serfs and peasants, taking their positions as the dominant global overlords. With the massive introduction of robots, artificial intelligence (AI), mind-altering drugs, media brainwashing and other new age technologies, a centralized system of domination will be complete. This is their End Game, a plan conceived and developed centuries ago! ??? The ancients will not be silent. They will bring fire, judgments, redemption and great power! An ancient African Kemetic priesthood, Father Destiny and The Gathering, vowed 7,000 years ago at Ipet Isut (Karnak Temple) to reincarnate during the African Spiritual Age of Darkness to combat the forces of evil and disorder. Their mission is to break the spell of the global Matrix Vortex of falsehoods, ignorance and economic injustices. For what is hard for many people to understand is the great worldwide deception of the invisibility and covert operations of demonic forces that control the mental universe and actions of billions of people and their leaders. The sinister forces of wizards, warlocks, witches and others are moving aggressively to consolidate their power over this world for the next several thousand years. In Volume II of the Age of Awakening Trilogy, the opposing forces set the stage for the ultimate confrontation and the Day of Reckoning. Scroll up and grab a copy today.

Throughout history secret societies and cults have existed on the fringes and seething underbelly of society. Some with a sinister agenda, others with a personal quest for power and the highest form of pleasure. This is a comprehensive pictorial study of some of the infamous cults, black magicians, writers and bloodthirsty killers that have had a profound impact on history, literature and popular culture.

Symbols have been used by secret societies since time immemorial; their power is used to control minds as they seek to transcend established laws and governments. The Illuminati is perhaps the largest secret organization in the world and while many have yet to come to terms with the reality that they are introducing a New World Order, those who have embraced the truth have made positive steps to inform others of what could mark the start of yet another dark age. Many theories have been postulated to create an illusion of a world under one government in which the Illuminati ideals form the fundamental principles of governance, application of laws and the administration of punishment. The little that is known of the Illuminati brings to the fore some commonalities. Including the fact that the Illuminati seeks to control the world by instilling fear and meting death on those perceived to be opposed to its ideals. This book illustrates how the Illuminati operates.* The mysterious circumstances under

which the Illuminati was founded.* The symbols that define the Illuminati with special emphasis on meanings, and how they affect you.* An in-depth analysis of the founding families.* A new perspective of the New World Order.* Why the Illuminati prefers the media as a tool for executing its plans.

Facing adolescence is difficult enough, but compound it by discovering your true identity is not merely the freckle-faced girl you thought you were, but that of shapeshifter. Emma Quinne has been enrolled in Volegrim Academy (a school for were-creatures) by her mother in hopes the instructors can get her "unstuck" from her human form. Here Emma meets Jack Hedge, a boy whose "other" is a traditional werewolf, and Aveline Fortescue—a French were-bat—who know many of the institution's secrets. Primarily, the sinister agenda of headmistress Dr. Long and her relationship with a secret society of hunters who prey on shapeshifters. But before dealing with new friends, new classes, and new threats, Emma must deal with unleashing the tremendous force that sleeps beneath her skin.

Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions throughout history • Shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority to abduct humans for "research" • Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government • Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten shows, this technique of infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S. government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies, the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the Greys, and their advanced genetic bio-technology and teleportation abilities--as well as what we need to do to defeat their plans.

History is replete with whispers of secret societies. Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people. The oldest is the Brotherhood of the Snake, also called the Brotherhood of the Dragon, and it still exists under many different names. It is clear that religion has always played a significant role in the course of these organizations. Communication with a higher source, often divine, is a familiar claim in all but a few. The secrets of these groups are thought to be so profound that only a chosen, well-

educated few are able to understand and use them. These men use their special knowledge for the benefit of all mankind. At least that is what they claim. How are we to know, since their knowledge and actions have been secret? Fortunately, some of it has become public knowledge. Most, if not all, primitive tribal societies all of the adults are members. They are usually separated into male and female groups. The male usually dominates the culture. Surprisingly, this exactly resembles many civilized secret societies. This can only mean that the society is working not against established authority, but for it. In fact, could be said to actually be the established authority. This would tend to remove the validity of any argument that all secret associations are dedicated to the "destruction of properly constituted authority." This can only apply, of course, where the secret society makes up the majority or entirety of any people which it affects. Only a very few fall into this category. Secret societies mirror many facets of ordinary life. There is always an exclusivity of membership, with the resultant importance attached to being or becoming a member. This is found in all human endeavors, even those which are not secret, such as football teams or country clubs. This exclusivity of membership is actually one of the secret societies' most powerful weapons. There is the use of signs, passwords and other tools. These have always performed valuable functions in man's organizations everywhere. The stated reason, however, is almost always different from the real reason.

Sadly, I have learned this book is more than an extreme and overwhelming truth. Unfortunately, the world that I thought I knew is as bogus as a three-dollar bill, for real! Development of certain science technology placed excessive wickedness into the stratosphere. Unfortunately, it will eventually lead the world down a perilous path and to "their" doomsday clock. You will discover some of the most maddening saga of deception such as hidden trust, and how they are using manipulation on a grand scale for everyone around the world. There are BIG lies that they use to twist your minds. This deliberate agenda is calculated towards major deceit with grimaced and hollered corruption. You will also discover how the intentional plan was deliberately done in secrecy; so that it would be unknown to you. Yet, from the day you were born, it had been sitting on your doorstep. You shall come to know these heinous misleading acts are done by a few men. These very few men are the real "shakers" who run the world. With that in mind, it would leave you on the side of the road scratching your head, but "hopefully" that should be a good thing, which will leave you spiraling over into the hands of our creator, God. This gut-wrenching truth and darkness of infidel are perpetrated from the political occult and the secrecy from the elite should awaken you from your sleep and open your eyes. Not only will you realize you have been miss-led and blinded, you would learn they used the force of mind control, basically, to control your way of living on a daily basis. Also without awareness they instigated slavery in their course of action by subliminal messages through TV, movies, music and religion to keep you from having self-preservation. Now the all "seeing eye" and "Big Brother" is minding your business at every streetlight and corner. Yes, I said it, you have no privacy and pretty soon the constitution will be torn to shreds as if it never existed. That is just the beginning to what is to come. These infamous few men are empowered by the occult world of pure evil and selfish greed. In addition, their actions are to corroborate a sinister plot that is to annihilate or sweep away billions of God's children. Their goal is to rule over no more than 500,000,000 million people. This way they can have more control over the population. The ending results would lead the world into the NWO (New World Order). Now is the time to get your house in order and to save your soul. Because of the anatomy of knowledge and wisdom, you will understand the truth from God. In addition, the truth is relating imperative messages that only He delivers in His novel. Romans 15:13 13 May the God of hope fill you with all joy and peace, as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

Provides information on a variety of individuals, organizations, and events that are shrouded in

mystery.

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

"History is replete with whispers of secret societies. Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people.
