Bigger and better than ever The two previous editions of the book known by home improvement retailers as “Big Red” sold nearly 600,000 copies. This new edition features a larger portrait format for better visual clarity, and incorporates a new page layout style. But all the features that made the original America’s best-selling “bible” of home repair are still present here—thousands of color photographs and detailed step-by-step directions. The third edition also includes

more than 30 projects not found in the original edition, as well as more than 300 new photos.

With comprehensive coverage of all topics, this book follows ASE guidelines to review a sample ASE test and prepare learners for certification. Over 100 multiple-choice items duplicate the type of questions found on the ASE exam, and provide explanations of what makes each right answer correct and the wrong answers incorrect. The guide's practical, concentrated coverage focuses learning on topics that will be covered on the certification exam, and have been determined to be important by the ASE. An ASE task list enables readers to make the distinction between the need-to-know and nice-to-know information. For individuals and distance learners preparing for ASE certification.
