"The Language Toolkit for New Zealand 4 encourages students to explore and practise how language works in a variety of contexts and for a variety of audiences. The full-colour workbooks incorporate New Zealand and international references that combine to give students a wider study of literature: Different text types - including literary, Shakespearean, information, persuasive, visual, oral and multimodal texts - form the basis of each unit and provide a context for the development of language skills; Each comprehensive unit integrates the development of language and literacy skills - including grammar, spelling, punctuation and vocabulary - across the key learning areas: Visual literacy elements are incorporated to engage today's students. These full-colour workbooks draw on a wide range of New Zealand references, articles, topics and contexts."--Publisher description.

Engage students in complex literary strategies as they dive into exploring rich pairs of fiction and nonfiction texts. Written by Lori Oczkus and Timothy Rasinski, this resource brings together two key strategies from the Common Core State Standards: close reading of paired texts. It provides teachers with the opportunity to use close reading strategies, reciprocal teaching, paired fiction/nonfiction texts, text sets, text-dependent questions, and hands-on activities. It includes 12 units across 4 content areas: language arts, mathematics, science, and social studies. Key differentiation strategies used in today's classrooms are provided including open-ended tasks and activities strong for multiple intelligences, and each unit includes text-dependent assessment for each text type. Aligned to McREL and Common Core State Standards,

this resource prepares students for college and career.

This guide is for Urdu/Hindi speakers who are, or are thinking of becoming, teachers of Urdu/Hindi to British adult learners. It discusses the teaching methods to help the students to understand and speak simple sentences correctly, in a limited amount of lesson time.

Un crucero turístico, "The Sir Lancelot", es el marco elegido por la autora para presentar los contenidos que conforman el Módulo Formativo 1051\_2 Inglés profesional para servicios de restaurante, que desarrolla una serie de competencias comunes a diversos certificados de profesionalidad: Servicios de restaurante, Servicios de bar y cafetería, Gestión de procesos de servicio en restauración y Dirección en restauración. Se trata de un contenido transversal, imprescindible en todos esos ámbitos de cualificación profesional. El desarrollo del crucero es la razón para que convivan profesionales de la hostelería y los servicios procedentes de diversas partes del mundo. Todos ellos vinculados por su profesión por un idioma: el inglés. La autora asume el reto de dar respuesta a todas las competencias que conforman la cualificación de referencia en cada caso y lo hace con un libro diferente. Un punto de partida innovador donde el aspecto práctico resulta prioritario y donde no ha lugar al aburrimiento. Un libro que presenta situaciones veraces y cotidianas donde el inglés adquiere todo su sentido y se enmarca en el ejercicio eficaz de una profesión. Nueve unidades recogen todo el contenido curricular exigido: prestación de información gastronómica y documental en inglés, atención al cliente en inglés en el servicio de restauración y expresión oral y escrita de la terminología específica del restaurante son algunos de los aspectos desarrollados. Un bookmap sirve de guía para identificar objetivos curriculares, su desarrollo y correspondencia en el libro. Locuciones de la máxima calidad, listenings y propuestas de actividades desde [www.paraninfo.es](http://www.paraninfo.es) completan una obra imprescindible para quienes desempeñan su actividad laboral en el área profesional de la restauración y a cuantos aspiran a adquirir las competencias profesionales necesarias para hacerlo con eficacia.

and have been slightly adapted to be appropriate for study by intermediate-level students. Exercise material surrounding the readings builds students' vocabulary and develops their reading and critical thinking skills.

The book covers selected vocabulary needed by students taking Cambridge English: Advanced (CAE) exam and includes exam-style tasks for each paper. Cambridge Vocabulary for Advanced builds students' lexical knowledge for success at an advanced level. It includes useful tips on how to approach Cambridge English: Advanced tasks and covers especially tricky areas such as collocation, fixed phrases and idioms. It is informed by the Cambridge English Corpus to ensure that the vocabulary is presented in genuine contexts and includes real learner errors. The Audio CD contains the listening and pronunciation exercises from each unit. The material is suitable for self-study or homework, and may also be used in class with the teacher. An edition without answers or CD is also available.

English Panorama 1 is the first part of a two-level general English course for adult and young adult learners at post-First Certificate level. It will be used by those who wish to pursue their English studies for professional or academic reasons, or for personal enjoyment. Each unit focuses on a different genre or style of written or spoken English, and grammar structures are studied in the context of these different styles. Integrated vocabulary practice concentrates on collocations, idioms and word-building, and study skills sections are included to promote effective study habits. As well as giving detailed teaching notes on all the activities in the Student's Book, the Teacher's Book contains transcripts of the listening material, answer key and supplementary photocopiable revision exercises with at least one exercise relating to each unit.
